

Readmission of Former Coastal Carolina University Students

To be considered for admission, undergraduate students who are returning to the University after missing a major term (fall or spring semester) must complete this application, submit the nonrefundable application fee and provide official transcripts for all institutions attended after leaving the University. Summer sessions do not count as a major semester in this instance. Readmission to the University and to the program in which the student was previously enrolled is not automatic.

Students who are seeking readmission after the first suspension must complete this application and submit it to the Office of Admissions. Students who are seeking readmission after the second suspension must seek readmission through the Academic Suspension Petitions Committee. Students who desire to return after a second or indefinite suspension must complete the Academic Suspension Appeal form and return it to the Office of the Dean for the student's respective college. Should permission to return to the University be granted, then the student must complete and submit this application along with the nonrefundable application fee.

Students who have attended other colleges since leaving the University are required to submit official transcripts.

Earning a Degree at Coastal Carolina University

Students who wish to earn a degree from Coastal Carolina University must complete the Undergraduate Application for Degree-Seeking Students and submit the required application fee and transcripts. The application can be completed online at <http://www.applyweb.com/aw?coastal>.

Nondegree Admissions

A nonrefundable application fee of \$45 is required with this application for all Nondegree Applicants. Applicants who wish to attend the University for one semester or for up to 18 credit hours may be approved to do so upon submitting this application accompanied by an explanation of their educational goals. The admissions office reserves the right to determine the proper category of admission. Official transcripts from all previously attended institutions are required. Applications must be approved prior to the first day of the semester. Enrollment will not be permitted after classes are in session. Students in a nondegree status are not eligible for financial aid.

Students will be required to complete a new Application for Undergraduate Admission (Readmission and Nondegree Students) and submit the required processing fee if they are not continuously enrolled during the regular fall and spring semesters (excludes summer terms).

- **Transient Students** are students who wish to take courses at Coastal Carolina University while regularly enrolled in another "home" institution. The student is responsible for securing approval from the Academic Dean or University Registrar at their "home" institution. Failure to gain degree-seeking status may impact the transferability of courses at a later date.

NOTE: Senior citizens (age 60 or older) who are legal residents of South Carolina and who are not employed full-time may be eligible to attend classes on a space available basis without the payment of tuition (excludes required course fees) provided the applicant meets the admission requirements and other standards of the University. Senior citizens may register for classes under the free tuition provision the day prior to the first day of class for the current term. The senior citizen must complete either the Nondegree or Degree-Seeking Undergraduate Application depending on the status of enrollment that is desired.
