

FINANCIAL AID

COASTAL CAROLINA
UNIVERSITY

FINANCIAL AID

The mission of the Financial Aid Office is to support and assist the University in accomplishing its aspirations, specifically through the Enrollment Services Strategic Initiatives, while assisting students and parents in identifying possible sources of financial assistance in meeting the cost of education at Coastal Carolina University.

Financial aid available for Coastal students is derived from federal and state government sources such as scholarships, grants, work-study, loans and Veterans Educational Benefits. Additional scholarships are provided by Coastal Carolina University, along with other funds available through private and public sources.

To determine whether or not a student is eligible for federal student financial aid programs, the student and his/her family must complete the Free Application for Federal Student Aid (FAFSA) by March 1 each year for priority consideration. The University expects students and their families to share in the responsibility to meet the costs of college.

OPERATING PRINCIPLES

Coastal supports the following principles:

- a) The primary purpose of a financial aid program should be to help provide financial assistance to students who, without such aid, would be unable to attend college.
- b) The family of a student is expected to make a maximum effort to assist the student with college expenses. Financial assistance from colleges and other sources should be viewed only as supplementary to the efforts of the family.
- c) The student who receives federal financial assistance must maintain satisfactory academic progress in a program of study.

SPECIFIC AUTHORIZATIONS

As applicants' financial aid files are completed, funds are awarded and the students are initially notified by mail and subsequently by email. A complete application for financial aid consists of a processed needs analysis document, loan applications), and other documents requested for verification.

VETERAN EDUCATION BENEFITS

Eligible veterans can receive assistance by applying for educational benefits through Coastal's Financial Aid Office. The U.S. Department of Veteran Affairs determines eligibility for and awards this benefit. You can determine if you are eligible by calling the VA Regional Office at 1-888-442-4551. You must then contact Coastal's Financial Aid Office to obtain the appropriate forms for certification.

Students receiving VA educational benefits are expected to maintain satisfactory progress towards a degree. Normal standards of progress, as stated in the *Catalog*, are applicable to VA students. Veterans or eligible persons must take courses that are essential to their degree program and cannot receive VA benefits for courses that are not essential to their program of study, or for repeating courses in which they have earned a satisfactory grade, or for courses which are graded on a Pass-Fail basis. To receive benefits for an Independent Study or Distance Learning, approval must be obtained from the S.C. Commission on Higher Education prior to certification for the term.

Once enrollment has been certified, the VA student is responsible for reporting any up-

dates or changes to his/her enrollment status to the Office of Financial Aid. This includes the dropping and/or adding of classes and complete withdrawal from the University. Failure to do so may result in the termination of benefits and possibly an overpayment situation.

The following is a synopsis of VA Program Chapters:

- Chapter 30: The Montgomery G.I. Bill ("New" G.I. Bill). This program provides educational benefits to individuals entering military service after June 30, 1985. A certified copy of your DD 214 is required. Those with remaining entitlement under Chapter 34 ("Old" G.I. Bill) may be eligible under Chapter 30.
- Chapter 31: Vocational Rehabilitation for Service-Disabled Veterans. This program is for individuals who have a compensable service connected disability, and the U.S. Department of Veteran Affairs determines that training and rehabilitation services are needed to overcome an employment handicap.
- Chapter 35: Dependents Educational Assistance Program. This program is for dependents (spouse or children) of individuals who die or are permanently disabled from service connected causes.
- Chapter 1606: Montgomery G.I. Bill - Selected Reserve. This program is available to members of the Selected Reserve, including the National Guard. A form DD 2384 (NOBE) is required.
- Chapter 1607: Montgomery GI Bill - Selected Reservists Called to Active Duty. This program is a new benefit that makes certain reservists who were activated after Sept. 11, 2001 either eligible for education benefits or eligible for increased benefits.

GRANTS

Federal Pell Grants

The Federal Pell Grant is a student aid program that provides grants for students attending college who have not previously received a baccalaureate degree. Eligibility is based on your resources and determined by a formula developed by the U.S. Department of Education. Pell Grant awards range from \$400 to \$4,731.

To determine if you are eligible you must complete the *Free Application for Federal Student Aid (FAFSA).

Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant program is a student aid program from which you may obtain up to \$4,000 each year depending on your financial need, the availability of FSEOG funds at Coastal, and the amount of other aid you receive. These funds are limited.

To determine if you are eligible you must complete the *Free Application for Federal Student Aid (FAFSA).

South Carolina Need-Based Grant

The South Carolina Need-Based Grants Program is designed to provide additional financial aid assistance to South Carolina's neediest students. The proposed award will assist South Carolina residents who wish to attend public or colleges or universities in the State. The Need-Based Grant Program is established under the South Carolina Children's Education Act of 1996. These funds are limited.

To determine if you are eligible you must complete the *Free Application for Federal Student Aid (FAFSA).

LOANS

Federal Carl D. Perkins Loan

The Federal Carl D. Perkins Loan is a low interest loan to assist you in paying for your education. You may be eligible to borrow up to \$4,000 a year. As a student, you pay no interest on the loan while attending school at least half time. The interest rate is 5 percent during the repayment period which begins 9 months after you leave college or cease being enrolled as at least a half-time student. These funds are limited and based on need.

To determine if you are eligible you must complete the *Free Application for Federal Student Aid (FAFSA).

Federal Stafford Loans (FFEL)

The Federal Stafford Loan is a low interest college loan made by a lender, credit union, or savings and loan association. The interest rate is variable with a 8.25% cap. For the 2008-2009 academic year, the rate was 6.8 percent. You may be eligible to borrow up to \$3,500 as a freshman, up to \$4,500 as a sophomore, and up to \$5,500 as a junior or senior, with a maximum of \$23,000. These loans have a six-month grace period before repayment begins.

To determine if you are eligible you must complete:

- * Free Application for Federal Student Aid (FAFSA)
- * Application and Master Promissory Note for Federal Stafford Loans
- * Entrance Loan Counseling

Additional Unsubsidized Federal Stafford Loan (UFSL)

Independent students may also be eligible to borrow up to \$4,000 a year for the freshman and sophomore years, and up to \$5,000 a year for junior and senior years - with a maximum of \$23,000. Dependent students, whose parents have been denied a parent loan, are also eligible for this program. For the 2008-2009 academic year, the interest rate was 6.8 percent. While most terms are similar to the Subsidized Stafford Loan, the interest rate is not subsidized. Although financial need is not a factor, the university must determine your eligibility for the Pell Grant and Stafford Loan before approving your application for a UFSL.

To determine if you are eligible you must complete:

- * Free Application for Federal Student Aid (FAFSA)
- * Application and Master Promissory Note for Federal Stafford Loans
- * Entrance Loan Counseling

South Carolina Teachers Loan

The South Carolina Teachers Loan Program was established by the State of South Carolina through the Education Improvement Act of 1984 to attract talented and qualified students to the teaching profession. This loan is cancelled by teaching in South Carolina public schools in an area of critical need.

The loan is cancelled at the rate of 20 percent for each full year of teaching in a critical subject or a critical geographic area within South Carolina. If you teach in both a critical subject and geographic area, your loan will be cancelled at the rate of 33 1/3 percent for each year of full-time teaching. The subject areas deemed critical at the time you apply will be honored when you begin teaching; critical geographic areas must be deemed critical at the time of your employment. If you decide not to teach, the interest rate on the loan is a variable rate, not to exceed 10.25 percent.

Freshmen and sophomores may borrow up to \$2,500 per year. Juniors, seniors and graduate students may borrow up to \$5,000 per year. This loan has a June 1 deadline and the funds are limited.

To determine if you are eligible you must complete the *South Carolina Teacher Loan Application.

Federal Parent Loans for Dependent Students (PLUS)

The PLUS program was created to give parents an additional financial resource. There is no interest rate subsidy, and need is not a factor. For the 2008-2009 academic year, the rate was 8.5 percent. The PLUS program is available for parents of dependent students only.

Repayment of the loan must begin within 60 days of the final disbursement. For this reason, a PLUS loan is used primarily to help with cash demands of large tuition bills. Loans may be made up to the total cost of your education per dependent, minus other estimated financial aid.

To determine if you are eligible you must complete the *Parent Loan Application - available online at www.coastal.edu/financialaid.

WORK OPPORTUNITIES

There are two student employment programs at Coastal Carolina. They are the Federal Work Study Program (FWSP) and the Institutional Employment Program (IEP).

Federal Work Study Program (FWSP)

The Federal Work Study program is a federal student aid program that provides part-time jobs on campus for eligible students. Students may work up to 20 hours a week when classes are in session and up to 37.5 hours with the Office of Financial Aid's approval during times when classes are not in session up to an authorized amount of wages. Approximately 150 students are approved for work each semester. Students should seek placement in available jobs through the Career Services Office in Indigo House. Funds are limited.

To determine if you are eligible you must complete the *Free Application for Federal Student Aid (FAFSA).

Institutional Employment Program (IEP)

The Institutional Employment Program is a Coastal Carolina program that provides part-time jobs on campus for students who may or may not have financial need. There is no application for this program. Students should seek placement in available jobs through the Career Services Office in Indigo House.

SATISFACTORY ACADEMIC PROGRESS

Institutions participating in Title IV federal financial aid programs are required by the United States Department of Education to establish institutional policies which define satisfactory academic progress. All students who receive federal financial aid at Coastal Carolina University are required to maintain satisfactory progress toward completion of their programs of study.

A student is considered to be making satisfactory academic progress if the student satisfies all of the following:

1. admitted and enrolled as a degree-seeking student;
2. meets the University standards for continued enrollment as specified in the Academic Standing section of the Catalog (a waiver granted by the Petitions Committee for suspensions for continued enrollment does not constitute evidence of satisfactory progress for financial aid);
3. completes requirements for a degree within a reasonable length of time (the total number of hours attempted at any post secondary institution may not exceed the equivalent of 180 hours);
4. earns no fewer than 75% of credit hours attempted per academic year (includes fall, spring, and summer terms) based on the enrollment status determined at the end of the 100 percent refund period each semester; and
5. achieves a cumulative grade point average of 2.0 (if the GPA drops below the required 2.0, the student's eligibility for continued payment of federal financial aid is subject to review).

Transfer students will be considered to be making satisfactory academic progress for financial aid at the time of enrollment unless the total number of hours attempted at all post-secondary institutions exceeds the equivalent of 180 hours.

A student who is suspended and later returns to Coastal must appeal to the Financial Aid Appeals Review Committee for reinstatement of financial aid eligibility. Permission to enroll at Coastal does not confer eligibility for financial aid.

Students seeking a second undergraduate degree are required to submit an appeal to be considered for financial assistance. The student must explain why a second degree or career change is required, be accepted by the school to which the student is applying, and provide an anticipated graduation date which is determined by the faculty adviser. If the student's plan is deemed reasonable, an extension of eligibility may be granted.

If a student's ability to meet these standards is affected by extenuating circumstances, he/she may appeal this determination. Information concerning the appeals process is available in the Office of Financial Aid. Students not meeting these standards at the end of the spring term are expected to make-up deficit hours or improve the cumulative grade point average.

REFUNDS/REPAYMENTS

Students are academically and financially responsible for their course registration and must terminate enrollment in classes which they do not intend to complete. To drop a course, the student must complete a Registration form available from their adviser. To completely withdraw, the student must complete a University Semester Withdrawal form available from the University Academic Center. Refund refers to the amount of money used to pay institutional charges that the institution must return to the student and/or to the financial aid programs after the student has withdrawn or dropped courses. Repayment refers to the amount of any cash disbursement made to the student that the student must repay to the school after the student has withdrawn or dropped courses. For students who receive Title IV Federal funds, a copy of the Return of Title IV Funds Policy worksheet is available in the Office of Financial Aid. The student should refer to the Fees and Expenses section of this catalog for specific refund schedules.

Policy for Withdrawal Refunds

Students who withdraw from the institution will be given a refund on the basis of either 1) University refund calculation (students who do not receive Title IV Federal Financial Aid), or 2) University refund calculation and Return of Title IV Funds Policy (students who receive Title IV Federal Financial Aid). Both refund calculations conform to federal regulations set forth by the Higher Education Act of 1965, as amended by the Higher Education Amendments of 1998 (Public Law 105-244 approved on Nov. 1, 1999).

The Return of Title IV Federal Funds Policy applies only to students at the University who are recipients of Title IV Federal Financial Aid. A copy of the Return of Title IV Funds Policy worksheet is available in the Office of Financial Aid. The University policy applies to all other students who withdraw from the institution.

Any financial aid for which the student was eligible prior to withdrawal, but which has not been disbursed, will be cancelled and returned to the source. Students who stop attending and fail to withdraw from the university may be subject to the repayment of up to 50 percent of any Title IV Federal funds received.

Distribution of Refunds/Return of Funds

If a student receives Title IV (federal) funds from more than one source, the University will distribute the refund based on the following mandated priorities:

- 1) Unsubsidized FFEL/Direct Stafford Loan
- 2) Subsidized FFEL/Direct Stafford Loan
- 3) Perkins Loan

- 4) FFEL/Direct PLUS
- 5) Pell Grant
- 6) ACG/SMART Grant
- 7) FSEOG
- 8) Other Title IV Programs

Repayments for Withdrawals

Repayment refers to the amount of any cash disbursement made to the student that the student must repay to the school after the student has withdrawn.

Any student who owes a repayment will be billed by Coastal Carolina University's Office of Student Accounts, and have a hold placed on the academic record which prohibits graduating, obtaining a transcript, or registering for classes. The student is also prohibited from receipt of any further disbursement of Title IV aid at any institution.

SCHOLARSHIPS

Coastal Carolina University offers a variety of scholarships to new students accepted into the University as well as to continuing University students. Specific criteria for each award are listed in the Scholarship Opportunities Brochure. Merit-based scholarships are automatically awarded while others require the completion of the on-line application for undergraduate scholarships. Please read the requirements and deadlines for each of the scholarships carefully.

The deadline to apply for all application-based scholarships is March 1 each academic year. To apply for application-based scholarships as a new or continuing student, you must be admitted to Coastal Carolina University and complete the on-line application for undergraduate scholarships by March 1 each academic year. As there are a limited number of awards available in each scholarship category, not all students who meet the minimum criteria will be awarded a scholarship.

Coastal Carolina University scholarships are awarded during the academic year beginning with the fall semester. (Merit-based scholarships are not awarded to students who begin their enrollment in the spring semester.) All scholarships are applied to the student's account in equal amounts each semester. Scholarship recipients must maintain full-time (12 or more credit hours per semester) student status at Coastal Carolina University during the fall and spring semesters unless otherwise noted in a specific scholarship. Students are not full-time unless they are enrolled in at least 12 credit hours during the regular fall or regular spring semesters. Enrollment begins on the first day of class. Many of Coastal Carolina University's scholarships are renewable for a maximum of eight semesters. The maximum length of the award is specified in your scholarship award letter.

The renewal criteria must be met each academic year. Most scholarships require the student to complete at least 30 credit hours per academic year (fall, spring and subsequent summer terms) and maintain a minimum 3.0 cumulative GPA, unless otherwise noted. Students who do not meet the required scholarship criteria for renewal have the opportunity to use the summer terms to attain the required GPA and earn the required credit hours at Coastal Carolina University. The total of all scholarships and financial aid awards cannot exceed the cost of attendance as determined by the Office of Financial Aid. Scholarship award amounts may vary each year depending on donor contribution or for the purpose of not exceeding the student's cost of attendance.

All scholarship recipients are required to complete the Free Application for Federal Student Aid (FAFSA) in order for the Office of Financial Aid to determine an accurate cost of attendance for each student. The FAFSA should be completed and the results submitted to the Office of Financial Aid by March 1st for application-based scholarships requiring demonstration of financial need.

The awarding of all scholarships is dependent upon available funding.

Notes:

1. Criterion for high school GPA is based on a 4.0 grading scale. If your high school GPA is not based on a 4.0 scale, it will be recalculated for Coastal Carolina University scholarship purposes.
2. Awards are based on available funding.
3. Renewal of a PGM Program Scholarship requires that students remain active in the PGM Program and earn 30 credit hours each academic year while maintaining a minimum 3.0 cumulative CCU GPA.
4. The maximum number of eligible semesters depends upon the academic level of the recipient at the point of matriculation at Coastal Carolina University. Freshman students are awarded for a maximum of eight semesters and transfer students are awarded according to the number of credits transferred into the University.
5. Information in this publication is subject to change without notification.
6. All references to SAT score in this publication refer to the combined math and critical reading sections only.
7. Out-of-state merit scholarships include a cash award and a partial tuition waiver.
8. An out-of state tuition waiver(s) may not exceed the difference between in-state and out-of-state tuition.

MERIT SCHOLARSHIPS FOR NEW STUDENTS

The following do not require the completion of a scholarship application. Coastal Carolina University is committed to the highest standards of academic excellence and recognizes outstanding freshmen and transfer students through its merit scholarship program. All full-time, degree-seeking student who apply for admission to the University are automatically considered for the following merit scholarships:

(The following scholarships have an acceptance deadline of January 1 for priority consideration.)

ACADEMIC COMMON MARKET (ACM)

The Academic Common Market (ACM) is a tuition savings program for college students from selected states in the Southern Regional Education Board (SREB) who want to pursue degrees that are not offered by their home state institutions. If approved, students can enroll in out-of-state institutions that offer their degree programs and pay only the in-state tuition rates. The ACM program is not competitive or merit-based, but applicants must meet home state residency requirements and college program admissions requirements. To qualify for the Academic Common Market, a student must be a resident of an SREB member state, be admitted unconditionally into the institution and program that is approved by the home state, and be certified by the home state to participate.

Coastal Carolina University currently offers two degree programs under the Academic Common Market. The first is the Bachelor of Arts in Middle Level Education, which is available to residents of Maryland. The second is the Bachelor of Science in Marine Science, which is available to residents of Arkansas, Delaware, Kentucky, Maryland, Mississippi, Oklahoma, Tennessee, and West Virginia. For information on how to apply for Academic Common Market programs, please visit the Southern Regional Education Board's web site at <http://www.sreb.org>. Additional information is also located at the Office of Financial Aid's web site at <http://www.coastal.edu/financialaid>.

UNIVERSITY APPLICATION-BASED SCHOLARSHIPS FOR NEW AND CONTINUING STUDENTS

Application-based scholarships require the student to complete the Coastal Carolina University Application for Undergraduate Scholarships on-line and submit all required attachments by March 1 each year. All applicants will be notified by May 1 each year through Coastal e-mail or postal mail of the results of their application.
