Your FAFSA application was selected for review by the government in a process called "Verification." CCU is required to compare information from your FAFSA with *signed* copies of your (and your spouse's, if you are married) 2008 Federal tax returns or W-2 forms and other requested financial documents. Federal regulations require that all verification be completed before awarding Federal aid. If there are differences between your FAFSA and your financial documents, corrections may need to be made. Complete this verification form and submit it along with your other documents to our office to avoid delay in the awarding of your financial aid.

*****Please allow 2 to 3 weeks for processing. Please note the processing time may be longer during peak times.*****

What You Should Do

1. Collect your and your parent(s)' financial documents (signed Federal income tax returns, W-2 forms, etc.).
2. Complete and sign the verification worksheet – you and at least one parent.
3. Submit the completed worksheet, tax returns, and any other requested documents to our office.
4. Ask questions if you are unsure how to complete these forms.

*****If any item is left blank or unsigned, this form may be returned to you.*****
