Program Cost: \$4,695 (includes airfare, 21 days of accommodations in Oxford and London, transportation, excursions, and most meals)

Starting this summer, CCU students will have the opportunity to spend three weeks in Great Britain, studying with CCU faculty while in residence at the University of Oxford, one of the oldest and most respected institutions of higher learning in the world. An educational center for over 900 years, Oxford is renowned for its rich traditions, its extraordinary architecture, and its vibrant community of students and scholars. Amid the spires, towers, gardens, and markets of this ancient city, centuries of British literature, history, and culture will come to life.

Students will explore Oxford's many colleges and historical sites, attend theater performances and concerts, and take advantage of excursions to destinations such as Stratford, Blenheim Palace, and Winchester Cathedral. Two weeks in residence at Oxford will be followed by four days sampling London's cultural, historical, and political treasures, including Westminster Abbey, the Houses of Parliament, and the Tower of London. Participants in this study abroad experience will come away with a new understanding of how the English language and its literature has been inspired by Britain's many centuries as a center of culture, commerce, and exploration.

Students may take one or both of the following courses:

English 288 - Major Writers of British Literature

English 497 - Literature, Language, Location

The lead program faculty will be Daniel J. Ennis, Ph.D, Chair and Professor of English and Cynthia Port, Ph.D, Assistant Professor of English.
