

THE JACKSON FAMILY CENTER FOR ETHICS AND VALUES PRESENTS:

## **TEA & ETHICS**

# **Is Your Face in My Space?: The Ethics of Digitilization**

What are the ethics of electronic communication? Do they differ depending on the type of media? Do privacy disclosures help or hinder morality? How do these electronic media facilitate both dialogue and discontent? How do individuals and organizations balance individual privacy and organizational responsibility? How do modern, context specific issues such as “cyber-bullying” and/or “lurking” complicate such ethical considerations?
