

THE JACKSON FAMILY CENTER FOR ETHICS AND VALUES PRESENTS:

COFFEE & ETHICS

Knowledge at the Expense of Ethics— *Has Science Gone Too Far?*

A presentation by Dr. John Reilly of the Chemistry Department, CCU

April 3rd – 6:00 pm at Panini 38

Located in the Bi-Lo Shopping Center, 38th Ave. N. and Hwy. 17 Bypass

Josef Mengele justified his “experiments” in Auschwitz on the grounds that they would provide new “knowledge.” Do ethical principles override this drive to know and understand? If so, how should ethical values limit scientific inquiry? What role should ethics play in science, and have scientists already gone too far?
