Application for Undergraduate Admission
Readmission and Nondegree Students

Nondegree Admissions

A nonrefundable application fee of $45 is required with this application for all nondegree applicants. Applicants who wish to attend the University for one semester or for up to 18 credit hours may be approved to do so upon submitting this application. The Office of Admissions reserves the right to determine the proper category of admission. Applications must be approved prior to the first day of the semester. Enrollment will not be permitted after classes are in session. Students in a nondegree status are not eligible for financial aid.

Students will be required to complete a new Application for Undergraduate Admission (Readmission and Nondegree Students) and submit the required processing fee if they are not continuously enrolled during the regular fall and spring semesters (excludes summer terms).

- **Transient Students** are students who wish to take courses at Coastal Carolina University while regularly enrolled in another “home” institution. Students are responsible for securing approval from the Academic Dean or University Registrar at their “home” institutions. Transient students are eligible to apply for on-campus housing during summer sessions only. For more information, contact the Office of University Housing, 843-349-6400.

- **Pre-College High School Students** may be eligible to begin college studies on a course availability basis while concurrently enrolled in high school. Pre-college applicants must provide a high school transcript with a minimum B+ average through the junior year and acceptable PSAT, SAT or ACT scores, along with a letter of recommendation from a high school counselor or principal.

- **Adult Learners** are applicants who seek to enroll in courses for personal or professional enhancement and who are at least 22 years old. At the completion of 18 credit hours, it is required that the student apply for degree-seeking status by submitting a new Application for Undergraduate Admission, accompanied by official transcripts from all previously attended institutions.

**NOTE:** Senior citizens (age 60 or older) who are legal residents of South Carolina and who are not employed full time may be eligible to attend classes on a space available basis without the payment of tuition (excludes required course fees), provided the applicant meets the admission requirements and other standards of the University. Senior citizens may register for classes under the free tuition provision the day prior to the first day of class for the current term. The senior citizen must complete either the Nondegree or Degree-Seeking Undergraduate Application depending on the status of enrollment that is desired. In addition, the Free Tuition Application for Senior Citizens must be completed and submitted to the Office of Admissions.
Thank you for your interest in attending Coastal Carolina University!
Once your application is complete (including submission of official transcripts), you should hear from us regarding your admission status within three weeks. Again, thank you for choosing Coastal Carolina University.

**ITEMIZED INSTRUCTIONS**

**Item 3**  **SOCIAL SECURITY NUMBER**

Please double check your Social Security number. An incorrect number will delay processing of your application. This number will be used solely for the purpose of identification and ensuring accuracy in the processing of this application.

Federal law recognizes the student Social Security number (SSN) as personally identifiable information under the Family Education Rights and Privacy Act of 1974 (FERPA). However, the law permits Coastal Carolina University to request and use this information in compliance with state and federal guidelines. You are not required to provide an SSN to be considered for admission, but you are strongly encouraged to do so, if you have one.

Providing an SSN will assist with matching records to your application, such as transcripts and test scores.

**NOTE:** An SSN is required to apply for financial aid. If you plan to apply for financial aid, you are encouraged to provide your SSN on your admissions application to assist with financial aid processing later. Providing your accurate Social Security number will also help with citizenship verification.
