### Meetings:

In 2022: N/A

In 2023: Feb. 1<sup>st</sup> and Mar. 15<sup>th</sup>

The committee failed to meet in the fall of 2022 due to a failure to identify a chair for the committee. Doug Van Hoewyk had previously volunteered to serve as chair, however, he was unable to do so.

Beginning in January, the committee members exchanged emails to identify a new chair of the committee. The committee's voting members (along with Mark Mitchell) held a meeting on Feb. 1<sup>st</sup> to discuss who will chair the committee, and I (Robert Killins) volunteered and accepted the role as chair.

We then met as a full committee on Mar. 15<sup>th</sup> and discussed several items. These included reviewing the 2021-22 committee report. There was discussion surrounding the issues of student-athlete academic schedules (online class availability), student-athlete internship options (lack of options), travel notification process, and the success of the interim grade reporting system.

Submitted respectfully,

Dr. Robert Killins (Chair).
