

## **ACTUARIAL SCIENCE AND RISK MANAGEMENT MINOR**

The Actuarial Science and Risk Management is a specialized program offered in the Accounting, Finance and Economics department. The minor will expose students to advanced risk management techniques used in modern business transactions, financial derivative pricing, and prepare student to sit for the Actuarial Science financial math (FM) exam. A second Actuarial Science minor, developed around the Actuarial Science probability (P) exam, resides in the Math department. Coastal Carolina University 2012-2013 Undergraduate Catalog 150
