

**GLORIA BROMELL TINUBU, Ph.D.**

590 River Oaks Drive  
Myrtle Beach, South Carolina 29579  
gtinubu@coastal.edu  
(843) 344-5902 (cell)

**EDUCATION:**

- August 1986      Ph.D. Applied Economics (Natural Resources),  
Clemson University, Clemson, South Carolina.  
  
Dissertation Title: "Financial Stability of Public Water Systems in South  
Carolina."
- December 1977      M.S. Agricultural Economics (Rural Community Development), Clemson  
University, Clemson, South Carolina.  
  
Thesis Title: "Intestate Tenure [Heirs Property] and Rural Land Uses in  
Selected Areas of South Carolina."
- May 1974      Bachelor of Fine Arts, with honors, Howard University, Washington, D.C.

**AREAS OF INTERESTS:**

Cooperative enterprises, entrepreneurship, asset-building, sustainable  
community development, poverty reduction, economic development in  
rural and urban areas, and natural resource economics (land tenure,  
water resources, mineral resources, energy and environmental policy).

**PRESENT POSITIONS:**

- 4/06 to Present      Chair & CEO – Bromell Tinubu Group LLC. Family-owned engineering,  
economic, and education consulting firm.
- 8/11 to Present      Teaching Associate – Coastal Carolina University, Conway, South  
Carolina (E. Craig Wall Sr. College of Business Administration).

**OTHER EXPERIENCE:**

- 1/11 to 12/11      State Representative, District 60 – Georgia House of Representatives.  
Served on the following committees: Intra-governmental Relations,  
Interstate Cooperation, and Small Business Development/Job Creation.
- 7/04 to 11/05      President – Barber-Scotia College, Concord, North Carolina. Managed  
operations, initiated turn around plan with focus on business and  
entrepreneurship, and led the largest increase in gifts to the College in  
the past three years and 64% over the previous year.
- 12/01 to 6/04      Founder & CEO - Atlanta Cooperative Development Corporation,  
Atlanta, Georgia. Managed operations of limited partnership with assets  
of \$8 million and secured \$1 million grant to help poor families build  
assets (home ownership, business start-up, and education beyond high  
school).

**OTHER EXPERIENCE (Continued):**

- 7/97 to 7/04      Associate Professor of Economics – Spelman College, Atlanta, Georgia. Taught courses in microeconomic theory, comparative economic systems, and mathematical economics. Co-authored the department's self-study report and served on the Financial and Physical Resources Committee for SACS accreditation.
- 6/99 – 7/00      Georgia Board of Education – 5<sup>th</sup> Congressional District Representative, appointed by Governor Roy Barnes. Represented the Atlanta Public School (APS) system with an operating budget of over \$500 million; successfully advocated for increased allocation of technology dollars for APS.
- 8/98 – 12/98      Scholar-in-Residence – Faculty Resource Network, New York University, New York, New York. Selected in national competition to conduct research for book with the proposed title - Wealth of Relations: In Search of Meaning and Value in a New Economics.
- 7/94 – 6/97      Chair and Associate Professor of Economics - Spelman College, Atlanta, Georgia. Responsible for the management of the Department of Economics with approximately 200 majors and 150 minors in Economics and Management and Organization.
- 1/94 – 1/98      Councilmember District 12 - City of Atlanta, Georgia. Elected in November 1993 to a 4-year term (over 35,000 constituents). As chair of the Community Development/Human Resources Committee for 1996 and 1997, provided oversight for departments with combined operating and grants budgets totaling over \$250 million. Served on several other committees including Finance/Executive, Zoning, Transportation, and Public Safety.
- 2/92 - 6/94      Associate Professor of Economics - Spelman College, Atlanta, Georgia. Taught courses in microeconomic theory and mathematical economics. Convening member of the African Diaspora Studies Committee which developed a two-semester course – African Diaspora and the World for all incoming students. Member of the Faculty Governance Committee which developed faculty governance structure for the College.
- 6/86 - 1/92      Assistant Professor of Economics - Spelman College, Atlanta, Georgia. Taught courses in economic theory and quantitative methods. Served as freshman advisor and Director of the Dana Scholars Program, formerly known as "Preparing Minorities for Academic Careers Program (PMAC). Served on the Physical Resources Committee for SACS accreditation. Elected three consecutive terms as the Faculty Representative to the Board of Trustees. Advisor to the Economics Club and Gamma Omicron Chapter of Phi Gamma Nu. Served as Freshman Advisor and Living and Learning Mentor.

**OTHER EXPERIENCE (Continued):**

- 4/88 – 4/91            Faculty Representative to the Board of Trustees – Spelman College, Atlanta, Georgia. Elected three consecutive terms by faculty of 100+ full-time members. Presided over the meetings of the faculty; coordinated agenda items with the President, Provost, Committee Chairs, faculty and staff; conducted the business of the faculty; encouraged and advocated for broader faculty involvement in College and Board of Trustees Committees; communicated the concerns of the faculty to the Board of Trustees and the administration. Successfully led effort that resulted in increased faculty salaries and reduced course loads.
- 9/88 - 11/91           Director and Founder - Atlanta Cluster Initiative Economic Research Unit, funded by the Department of Interior, Historically Black Colleges and Universities Program. Administered an interdisciplinary research unit for Atlanta University Center faculty and students; awarded \$98,000 over three-year period.
- 1/86 to 5/86           Instructor of Economics - Spelman College, Atlanta, Georgia. Taught courses in economic theory, statistics, and quantitative methods.
- 8/82 - 10/85           Principal Teaching/Research Assistant - Clemson University, Clemson, South Carolina. Conducted research that assessed the financial stability of publicly owned water systems in South Carolina. Taught classes in natural resource economics and public finance.
- 1/80 - 8/81            Research Assistant - Emergency Land Fund, Atlanta, Georgia. Principal investigator of the Remote Claims Study in South Carolina that addressed heir title problems affecting landowners.
- 1/79 - 6/79            Principal Research Assistant - Clemson University, Clemson, South Carolina. Conducted energy research that assessed the demand for electric energy for various uses in South Carolina.
- 2/78 - 1/79            Associate Planner - Georgia Department of Natural Resources, Office of Planning and Research, Resource Planning Section. Assisted in the collection/interpretation of natural resource data.
- 8/75 - 12/77           Graduate Research Assistant - Clemson University, Clemson, South Carolina. Conducted research on rural land tenure problems and its impact on community economic development. Findings were submitted to the South Carolina Legislature and presented at the 1978 annual meeting of the American Agricultural Economics Association.
