FOR SPAN 120, SPAN 330 + 350
EARN 6 CREDITS WHILE YOU EXPERIENCE FULL CULTURAL AND LANGUAGE IMMERSION

Ecuador is one of the world’s most beautiful and environmentally diverse places. Its capital city stands only 15 miles from the Equator, which has been turned into a hands-on laboratory bringing to life the difference between the northern and southern hemispheres. Explore Quito, which has been designated as a World Heritage site; visit the amazing church of gold, and contrast the colonial and the new, modern city. Visit the archeological treasure of the Inca civilization in Ingapirca with its Temple of the Sun, chambers and observatories. Take advantage of multiple outdoor activities such as hiking, kayaking, mountain biking, horse riding, fishing and relaxing at a hot-spring spa. Immerse yourself in the language and culture of a wonderfully friendly and welcoming people, visit a national park situated at over 10,000 feet with scenic views and exotic animals and plants.

The University of Cuenca, our host institution, will be in session; you will be able to mingle with local students and have one of them serve as your mentor.
