Computer Science
Prerequisite Map
Fall 2012 - Spring 2013

To assist you in planning your coursework, this chart illustrates the prerequisites for your Computer Science Foundation and Major courses.

Courses at the 300-level are typically offered in either the Fall or Spring semester, while many 400-level courses are offered alternating years.

Some courses in this category have additional prerequisites. Check the University Catalog for details.

Final responsibility for satisfying degree requirements, as outlined in the University Catalog, rests with the student.
