Table 1: Placement Logic for new CCU students taking the COMPASS Math Placement Test

Examples

✍ A science student scores 75 in MA1 and 65 in MA2.

✍ If the student’s major is RSM, they would place into MATH 139, otherwise all other science majors place into MATH 130.

✍ A business major scores 99 in MA1, 97 in MA2 and 62 in MA3.

✍ If the student’s major is FIN, they would place into MATH 135, otherwise all other business majors place into MATH 130(as they do not place into the next higher class (MATH 132).

✍ A student in the college of education scores 55 in MA1 and 66 in MA2.

✍ Student places in MATH 130
