**Apply NOW for  
Fall 2014 Internships!**

*Internships are an excellent opportunity for you to get the “real-world” experience employers are looking for in today’s job applicants. Over half of all internships lead to full-time job offers. Consider making time in your schedule to participate in an internship for the fall semester. You can enroll in an internship class for credit in your major, or UNIV 395 for the internship experience. Your efforts now will help you achieve your future career goals!*
