D. Revision to Academic Policies
1. Students have three years from the time the course in question ends to submit a petition for a grade change. (No change in wording from original submission)
2. Students who receive a 'I' (Incomplete) grade normally have one regular semester to complete the work required. The 'I' will not affect the student's GPA during the one semester or during the contractually agreed upon time limit. If the work is not completed when the time limit has expired, the 'I' will convert to an 'F' grade. (Revised wording to capture recommended changes from committee)

Linda Vereen, NCAA Faculty Representative
