I. INTRODUCTION

Human beings grow and mature in communities. Living in a community requires the knowledge, integrity and decency of others. In turn, a strong and effective community helps individuals mold habits and values that will enable them to achieve the highest personal satisfaction and contribute to a better world. University rules and regulations are designed to protect individual liberties and other values stated in the University’s mission statement, especially the commitment to: “develop students who are both knowledgeable in their chosen fields and prepared to be productive, responsible, healthy citizens with a global perspective... while adopting the highest standards of integrity and accountability, and committing itself to
excellence through continuous self-improvement.”

II. STUDENT RIGHTS AND RESPONSIBILITIES

A. General Information
Responsibility for good conduct rests with students as individuals. All members of the campus community are expected to use reasonable judgment in their daily life to show concern for the welfare and rights of others. Educational institutions are not sanctuaries from the jurisdiction of the civil and criminal laws of the communities and states where such institutions exist. If a student violates city, state or federal laws, he/she may be prosecuted by those authorities, as well as by University authorities if the conduct violates University standards.

Students are entitled to be secure in their personal privacy. But the University will conduct facility inspections for maintenance, health or safety purposes. Also, the University may conduct search and seizure operations when the health and safety of persons or property are involved.

To serve the interests of all students, the University may decline admission, suspend enrollment or require a student to withdraw from the University based on violations of the Code of Student Conduct. A student is not in good disciplinary standing with the University if he/she is currently suspended, on disciplinary probation or has past due sanctions.

Students agree to abide by all rules and regulations of the University as a condition of admission. Any violation of the Code of Student Conduct that occurs between the time of acceptance and enrollment at the University may be subject to review by the Dean of Students Office.

B. Rights of the Accused
1. Persons accused of violating the University’s rules and regulations have the following rights:
   a. Written/electronically mailed notice of charge(s), account of the alleged misconduct and notice of the scheduled hearing;
   b. The right to a hearing;
   c. The right to a timely student conduct process and decision;
   d. The right to challenge the admissibility of information;
   e. The right to appeal;
   f. The standard of proof used to determine a violation is “a preponderance of information”;
   g. The right to a personal adviser whose role is to advise the student rather than actively represent;
   h. The right to participate in the conduct hearing or remain silent;
   i. The right to present witnesses and a reasonable number of character statements;
   j. A written decision specifying the violation, penalty assessed, outcome and right of appeal;
   k. The right to challenge the seating of any hearing officer for good cause;
   l. The right to have the case heard only on the misconduct specified in the written notice;
   m. The right to question all available witnesses;
   n. The right to request a reasonable postponement of the hearing;
   o. The right to face their accuser. Special conditions may be imposed in sensitive cases.

2. The University will make every effort to protect the rights and dignity of persons accused or victims/complainants of violations of this code within limits provided by FERPA and other federal, state and local law. In accordance with FERPA, prior consent is not required to disclose personally identifiable information to schools in which a student seeks or intends to enroll. Regarding these requests, the University will make an attempt to notify the students that records are being provided.
C. Rights of a Person Filing a Complaint and/or Victim of Offense

1. A person who has filed a complaint or is the victim of an offense will have the following rights:
   a. The right to review the statements of the student who is the subject of the alleged violation;
   b. The right to present information supporting his or her version of the alleged violation;
   c. In cases of violence and sex offenses, the right to know (or have next of kin know in case of death of victim) the outcome, including elements of the action plan from of the hearing.

2. The University will make every effort to protect the rights and dignity of victims/complainants of violations of this code within the limits provided by FERPA and other federal, state and local law.

integrity and personal responsibility. As members of this community, we are accountable for our actions and are committed to creating an atmosphere of mutual respect and trust.

On my honor, I pledge:
- That I will take responsibility for my personal behavior; and

From this day forward, my signature on any University document, including tests, papers and other work submitted for a grade, is a confirmation of this honor pledge.

D. Prohibited Conduct

1. Plagiarism, cheating, attempted cheating and all other forms of academic dishonesty.
   a. Examples of plagiarism include, but are not limited to, the following:
      (i) borrowing words, sentences, ideas, conclusions, examples and/or organization of an assignment without proper acknowledgment from a source (for example, a book, article, electronic document or another student’s paper);
      (ii) submitting another person’s work in place of his/her own;
      (iii) allowing someone else to revise, correct or edit an assignment without explicit permission of the instructor;
      (iv) submitting work without proper acknowledgment from commercial firms, websites, fraternity or sorority files, or any other outside sources, whether purchased or not;
      (v) allowing another person to substitute any part of a course for them, including quizzes, tests and final examinations;
      (vi) submitting any written assignments done with the assistance of another without the explicit permission of the instructor;
      (vii) submitting work that was originally prepared for another class without the explicit permission of the instructor;
      (viii) knowingly aiding another student who is engaged in plagiarism.
   b. Examples of cheating and attempted cheating include, but are not limited to, the following:
      (i) using or intending to use unauthorized information, materials or assistance of any kind for an assignment, quiz, test or final examination;
      (ii) knowingly aiding or attempting to aid another student who is engaged in cheating.

2. Furnishing false information to any University official, faculty member or University office to obtain academic advantage.

3. Forging, altering or misusing any University document or record to obtain academic advantage.

E. Resolution Process for Academic Violations

1. Alleged academic violations should be reported in writing to the instructor of the class or the Office of Academic Integrity within ten (10) business days of receiving knowledge of a possible violation. The report may be submitted by anyone who is aware of the violation, including the student who committed the violation or any student, faculty or staff member who observed or has knowledge of the violation. The faculty member will report the alleged violation through the Academic Integrity online reporting system. (Case files will be maintained by the Office of Academic Integrity.)

2. Reports of academic violations should include the following information:
   - name of the accused student,
• type of violation,
• name(s) of witness(es) and
• name of person filing the complaint.

Note: Anonymous written reports may alert a faculty member to an existing problem in the classroom, but these reports cannot serve as the sole basis for disciplinary action. Intentionally making a false accusation may also be an integrity code violation.

3. A student who has been charged with an academic violation may not withdraw from the class or the University without the permission of the Academic Integrity Officer or designee.

4. Hearing Process
   a. Student-Faculty Hearing
      (i) Within ten (10) business days of receiving knowledge of a possible violation, the student will receive notice in writing of:
          • the alleged violation,
          • a summary of student rights and responsibilities, and
          • the date, time and location of student-faculty hearing, which will take place no later than ten (10) business days from the date of notice. If the violation occurs within the last two weeks of a semester or during a period between semesters, the hearing will occur as soon as practical the following semester. Faculty may give an Incomplete for the course if a violation is pending.
          • Unusual circumstances may warrant adjustments in the timeline.
      (ii) At the student-faculty hearing, the alleged violation(s) and possible sanction(s) will be reviewed. The student may respond to the charge(s) in writing in advance of the hearing and/or may respond verbally at the hearing. If a student does not attend the hearing, the hearing may proceed in the student’s absence.
      (iii) Participants at a student-faculty hearing will include the instructor and the accused student, and may also include the student(s), faculty or staff member(s) who observed and reported the infraction. At the request of the faculty member or student, an Academic Integrity Officer may be present at this meeting. The Chair of the Department of the course in which the incident occurred should not attend this meeting as he or she may be involved in the resolution process if the student decides to appeal the decision of the instructor.
      (iv) At the student-faculty hearing, the faculty member will determine if the student is in violation of the alleged misconduct.
      (v) If the student is found in violation, the faculty member will determine a sanction (see Section F). One of the following will occur:
          a. the student agrees with the faculty member’s decision; or
          b. the student does not agree with the faculty member’s decision, feels that the imposed penalty is too severe or believes that the University process has been violated. The student may submit a written request for an appeal hearing to the Academic Integrity Officer. This letter will include a brief explanation of the alleged violation and the specific reason for requesting the appeal. The request for an appeal hearing must be made within five (5) business days of receiving the decision of the instructor from the student-faculty hearing.
      (vi) The Office of Academic Integrity will receive all reports of alleged violations. Students who have been found in violation of a previous offense (academic or non-academic) will be referred to the College Academic Integrity Committee for sanctioning. More serious sanctions will automatically be considered for students with more than one violation.

b. College Academic Integrity Committee (CAIC)
   (i) The CAIC will consist of both faculty and student representatives (two (2) faculty members for every student representative). Each college will determine the procedures for committee representation and publish this information on the Office of Academic Integrity webpage (www.coastal.edu/aic). The student representative will be selected from a list of nominees developed by the Student Government Association. The student appointee
must be in good disciplinary standing, meaning that he/she is not on probation and/or has no incomplete sanctions. Also, the student member must have completed at least 60 credit hours, be a full-time student and have a GPA of 2.5 or better.

(ii) The Office of Academic Integrity will notify the accused student in writing of the date, time, location and purpose of the hearing. At the hearing, the CAIC will review the case. The instructor of the course will be present to summarize the incident, and the student will have an opportunity to respond. If the student does not respond to the notification, the hearing may proceed in the student’s absence.

(iii) The CAIC may uphold or modify the decision from the student-faculty hearing. In second-offense cases, the CAIC will not issue a lower-level sanction than was assigned in the faculty hearing.

c. Appeal Process
If the student believes that due process has failed or that substantive issues related to the case were not reviewed at the CAIC hearing, he/she may submit a written appeal to the Dean of the College in which the course under consideration was offered within five days of receiving the decision of the CAIC. The decision from the Dean is the final step in the resolution process.

F. Academic Sanctions
1. Following the student-faculty hearing, the faculty member may impose one (1) or more of the following sanctions when a student is found in violation:
   a. Written warning
   b. Grade of F on the assignment
   c. Grade of FX in the course (If a penalty grade of FX is imposed in the course, the student will not be able to drop the course, petition a grade change or use the grade forgiveness policy.)

   d. Permanent Dismissal from the University

Students who do not complete required sanctions may be referred to the CAIC for additional sanctions.

IV. NON-ACADEMIC CONDUCT CODE

A. General Guidelines for Non-Academic Violations
1. The Vice President for Student Affairs (VPSA) has primary responsibility and authority for the administration of student discipline for non-academic violations. Further delegation of this authority may be made by the Vice President of Student Affairs to the Dean of Students, Director of University Housing and other staff members.

2. Anyone may initiate a complaint regarding a University student by submitting the following information to the Dean of Students Office:
   • The name(s) of the accused.
   • A clear, signed statement explaining the nature and circumstances of the complaint.
   • The names, addresses and telephone numbers of those filing the complaint.
3. Anonymous reports may alert an administrator to an existing problem, but these reports cannot serve to initiate disciplinary action.

4. Any student who is arrested for any alleged offense other than a minor traffic violation must notify the Dean of Students Office within 72 hours of the arrest.

5. Any student who becomes a registered sex offender prior to or during his or her tenure at the University will be subject to permanent dismissal.

6. The Dean of Students Office will maintain student disciplinary files, which are considered education records as defined by the Family Education Rights and Privacy Act (FERPA). The current or former student’s conduct file may contain copies of all necessary and appropriate correspondence, name(s) of the conduct officer(s), Student Conduct Board and appeal decisions, recorded sessions, as well as other documentation pertinent to any case for which a student was found responsible for a violation of the Code of Student Conduct. The term “file” or “record” means any information relating to a current or former student that is stored in a fashion that facilitates recovery of that information by reference to the individual in whatever form or medium such gathering of information is created, kept or maintained. A password-protected, electronic software system is used to maintain the student conduct records. Hard copy files are stored in a locked file cabinet that can only be accessed by authorized University personnel. Disciplinary records will be maintained for a period of seven years.

The University reserves the right to proceed under this Code prior to, concurrent with, or subsequent to, civil litigation, criminal arrest, or criminal prosecution. The University may work to coordinate with the court system to ensure no duplication of services, penalties or outcomes. The University cooperates fully with law enforcement agencies to the extent permitted by law.

D. Disciplinary Hearing Process

1. Preliminary Investigation
   a. The Dean of Students Office will investigate reports of alleged violations of the Code of Student Conduct or local,
state or federal law.

b. After completing a preliminary investigation and finding information to support an alleged violation, the student will be notified by email and/or in writing of assessed charges and notice to appear at a Pre-Hearing Conference.

c. In certain circumstances, based on campus or external incident/police reports, the Dean of Students or designee may impose a "No Contact" order (CSC.IV.H.13), residence hall suspension (CSC.IV.H.8) or interim suspension prior to the hearing.

- Interim Suspension - Interim suspension is an action requiring that a student immediately leave the campus and property owned, occupied or leased by the University. It may be imposed upon a student by the Dean of Students or designee when there is reasonable cause to believe, based on available facts, that the student poses a threat to self or others. This is done because the immediacy of the danger caused by the student’s presence on campus makes it impossible to follow the normal disciplinary procedures. When a student is suspended on an interim basis, he or she is given notice of the reasons for the suspension, the duration and any special conditions that apply. A student who is suspended on an interim basis will have his or her case heard by an administrator or by the Student Conduct Board within ten (10) business days of the interim suspension, unless circumstances such as incarceration of the accused prevent scheduling within ten (10) days. Any student who is suspended on an interim basis and returns to the campus and property owned, occupied or leased by the University during the suspension will be subject to further disciplinary action and may be treated as a trespasser. Permission to be on campus for a specific purpose (i.e., to take an exam, to consult with the Dean of Students or designee, or to participate in the disciplinary procedures against him or her) may be granted in writing by the Dean of Students or designee.

d. A student who has allegedly violated any non-academic regulation of the University will not be permitted to withdraw from the University without the permission of the Dean of Students or designee. If a student withdraws without approval, the University may continue to hold charges assessed. If the student is found to be in violation, the University may restrict the student’s readmission on such terms or under such circumstances as it may prescribe.

e. The University’s action shall be independent of civil and/or criminal proceedings pending in city, state or federal court. The outcome of court proceedings has no bearing on the University student conduct process or sanctions. At a disciplinary hearing, the technical rules of evidence applicable to civil and criminal cases shall not apply.

2. Pre-Hearing Conference

a. A conduct officer will conduct the conference. The complainant may or may not be present.

b. This conference will occur within two weeks or as soon as possible after the report or complaint is received. The conduct officer will inform the accused student of these facts:
   - The charge(s) assessed.
   - The disciplinary hearing options.
   - Possible sanctions involved.

    • Possible sanctions involved.

   At the Pre-Hearing Conference, a conduct officer will provide the alleged:
   - A written notice of the charge(s) and an outline of rights. In the event that additional charges are assessed, a further written notice must be forwarded to the student. These notices may be mailed, hand delivered or electronically mailed.
   - Review of all available information, documents, exhibits and a list of witnesses.
   - Choice not to appear at the hearing. In that case, the hearing will be conducted in the student’s absence.
   - Assistance by a personal adviser. The personal adviser provides the student moral support and may or may not be a member of the University community. The University has the right to disqualify a particular adviser when participation of that adviser allows the potential for disruption of the student conduct process. Upon request of a student, the personal adviser may:
     a) Advise the student concerning the preparation and presentation of the case. The adviser may not speak for the student, except in exceptional circumstances with the discretion of the conduct officer.
     b) Accompany the student to all student conduct proceedings whenever possible.
c.) Not also serve as a witness.
d. At the conclusion of the Pre-Hearing Conference, one of the following will occur:
   (i) The conduct officer and the student agree to move into an administrative resolution.
   (ii) The conduct officer may delay completion of a review until further investigation is completed.
   (iii) The conduct case is referred by either the conduct officer or the accused student to a hearing with the Student Conduct Board. (Refer to section E: Student Conduct Board)

3. Student Conduct Administrative Resolution
   a. The accused student will be provided the opportunity to present information in response to the assessed charges.
   b. The conduct officer determines whether a violation has occurred based on the majority of the information and provides written documentation of the decision.

4. In cases of violence and sex offenses, the victim/complainant may have support person(s) present during the Pre-Hearing Conference/Administrative Resolution and Student Conduct Board hearing. The support person(s) may not participate in any way in the hearings.

5. Appeal Process
   Refer to Section G: Appeal Process for Non-Academic Violations for process.

6. Student Conduct Board Hearing
   Refer to Section E: Student Conduct Board for the hearing process.

E. Student Conduct Board

1. Members
   a. The Student Conduct Board (SCB) will consist of 10 elected faculty at large; six administrative staff or faculty members appointed by the University President; and 12 students.

A finding of “not in violation” as a result of a decision by any hearing body will resolve the matter with no further action or appeal body will result in a complete reversal of all sanctions or penalties previously imposed. After a finding of not in violation in the case of an appeal, all record of the sanction(s) or penalty or penalties action plan previously imposed will be removed from the student’s record.

2. Finding of “In Violation” - Penalties and Sanctions Action Plans
   a. Disciplinary sanctions action plans may be imposed upon students found “in violation” of the Code of Student Conduct. All sanctions Elements of the action plan may be imposed either singularly or in combination. Sanctions Action plans do not take effect until the completion of the appeal process unless otherwise specified by the conduct officer hearing the case or Student Conduct Board.
   b. The purpose of imposing sanctions developing action plans is twofold: to protect the University community from behavior that is detrimental to the community and to assist students in identifying acceptable limits and consequences of future behavior that fall within the regulations of the University. b. Notifications and hearing decisions to the student will be in writing and mailed on a certified/return receipt requested basis or hand delivered.

G. Appeal Process for Non-Academic Violations
1. If a student believes he or she has been wrongly accused, the appeal authority will generally limit its review of the original hearing record to the following two issues: 1) whether University disciplinary procedures were followed that provided notice of the charges and an opportunity to respond; and/or 2) whether new information exists sufficient enough to alter the original decision and why such information was not available or not presented at the original hearing. In accordance with Title IX, the accuser has the opportunity to submit an appeal in Title IX cases.

2. The student must submit the appeal in writing and should be specific about which element of the action plan decision(s) and/or sanction(s) is being appealed. The appeal must be submitted within three (3) business days of the decision.

3. If a University Housing conduct officer served as the original hearing body, the case is appealed to the Dean of Students. If a conduct officer from the Dean of Students Office served as the original hearing body, the case is appealed to the SCB. If the SCB served as the original hearing body, the student may appeal to the Vice President for Student Affairs who will make a decision in consultation with the Provost. The appeal authority may uphold the decision, modify the decision or require a new hearing. The decision of the appellate body is final.

H. Non-Academic Sanctions Action Plans
The University adheres to a minimum sanction policy and core action plan for alcohol and other drugs. Exceptions to minimum sanctions the core action plan must be approved by the Dean of Students or designee. Sanctions Action plans issued for Code of Student Conduct violations include but are not limited to the following:

1. Warning – A written notice to the student that the student is violating or has violated University policy.

2. Fines – Requirement that a student remit a specific amount of money as a consequence for his/her misbehavior. (Refer to the Community Living Guide for a schedule of fines.)

3. Restitution – An order to make restitution issued when a student has engaged in conduct injurious to the property of another (individual, group or the University) for which monetary damages may be determined. For example, this sanction may be an element of the action plan in cases of property damage, theft, fraud, deception or misappropriation.

4. Community Service – Provide some type of community service to the University or community as a whole. The service should be relevant to the nature of the violation, should have some educational value and should not be unduly burdensome to other staff or students. This element of the action plan may include, but is not limited to, accompanying staff on duty, researching and writing a paper on a relevant issue or providing assistance to a disabled student.

5. Educational Programs – Assigned as an opportunity for personal development. This includes, but is not limited to, alcohol education, drug education, psychological assessment, reflection document, essay, presentation, development of publicity material, etc.

6. Conditions – Limitations upon a student’s behavior and/or department privileges for a period of time, or an active
obligation to complete a specified activity. This sanction element of the action plan may include, but is not limited to, denial of the right to represent the University in any way, denial of the right to hold an office with a student organization, restriction of visitation privileges, restriction of contact with another person or persons, required attendance at a workshop or participation in community service.

7. Disciplinary Probation – A designated period of review and observation during which a student is under an official warning that his or her conduct, although not serious enough to warrant a form of suspension, violated the code. Subsequent violations of University rules, regulations or policies could result in a more severe sanction.

8. Residence Hall Suspension – Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

9. Loss of Housing – Permanent separation or separation for a designated time period of the student from the residence halls.

10. Suspension for a Period of Time – Denial of enrollment, attendance and other privileges at the University for a given period; conditions for readmission may be specified. When the sanction of the action plan includes suspension, the student must leave the campus at the conclusion of the appeal process or immediately if there is no appeal filed and may not participate in academic, extracurricular or other University activities except as may be authorized by the Dean of Students or designee. During the period of suspension the student is denied the right to register for classes or to visit the University. The student is subject to arrest for trespassing should he or she be found on property owned, occupied or leased by the University. In extenuating circumstances, a suspension may be deferred. If the student is found in violation of any university rule during the time of deferred suspension, the suspension takes effect immediately without further review. An additional student conduct sanctions action plan appropriate to the new violation also may be taken. A student who has been issued a deferred Suspension sanction is deemed “not in good standing” with the University.

A student who is on disciplinary suspension from Coastal Carolina University may be required by the Dean of Students Office or the Student Conduct Board, at a specified approved level of engagement, to perform some approved combination of:

- Paid work;
- Community service;

- (When prescribed by SCB or the Dean of Students Office) Participating in treatment/rehabilitation programs.

11. Permanent Dismissal – Involuntary separation of the student from the University without future readmission. The student must leave the campus and is not eligible to participate in classes or any University sponsored or University related activities. The student is subject to arrest for trespassing should he or she be found on property owned, occupied or leased by the University.

12. “No Contact” Order – A no contact order is a University directive that restricts contact between individuals in any way, including in person, via email, telephone, text messaging, social networking or any other method of communication. Direct or indirect contact would be considered a violation of harassment (CSC.IV.C.5) and failure to comply (CSC.IV.C.8). This violation could be grounds for suspension or permanent dismissal.
