- **ENGL 290 or ENGL 390**  
  Business & Professional Communication

- **IDS 398**  
  Research Methods in Interdisciplinary Studies

- **IDS 499**  
  Research in Interdisciplinary Studies

All courses in Foundations and Major Requirements must earn a C or above.

**Freshman Requirement**  
0-3 Credits

- **UNIV 110 or HONR 101**  
  The First-Year Experience

  Requirement is waived for new students entering with 12 or more credit hours and for students age 21 or older.

**Core Curriculum**  
34-41 Credits

- See CCU Curriculum

Choose 10 courses at the 300 or 400 level from two or more disciplines which help reach your educational/career goal:

- ____________________________
  
- ____________________________
  
- ____________________________
  
- ____________________________
  
- ____________________________
  
- ____________________________
  
- ____________________________
  
- ____________________________

Take prerequisite & elective courses at any level to reach 120 hours total across the curriculum.

Up to 15 credits from one discipline may be approved. For a B.S. degree, 12 credits of the approved courses must be in a science discipline and the student must also earn a C or above in MATH 160 (Calculus).
