Praxis II: Subject Assessment Tests are computer-based assessments that measure subject-specific content knowledge and teaching skills. Many of these tests are only available during certain testing windows. For information or to register for an exam, visit ets.org/praxis.

Proctored Exam services are offered for other schools and universities (paper/pencil or computer-based). Candidates must register online at coastal.edu/testcenter/registration. Once your completed registration has been received, the Testing Center will contact you to schedule your appointment.

PSI offers proctored, computer-based test administration for the Federal Aviation Administration (FAA), other Federal/State licensing agencies, and professional organizations, such as the Professional Golf Association (PGA). For a complete list of tests available, visit their website at lasergrade.com. To register for an exam, call 800-211-2754 or 800-733-9267.

Student Aptitude Test (SAT) is the most widely recognized college admission test. The test is a standardized assessment of critical reading, mathematical reasoning and writing skills used to evaluate a student’s college readiness. The test is given on national test dates on select Saturdays in pencil/paper format. To register, you must contact the College Board Program at collegeboard.org or call 866-756-7346.

Test of English as a Foreign Language (TOEFL) is a computer-based test that measures the ability of non-native speakers of English to use and understand English as it is spoken, written and heard in college and university settings. To register for the test or for more information, visit the TOEFL website at ets.org/toefl.

For additional information or instructions, contact the Academic Testing Center at 843-349-4011. All tests are administered by appointment. Neither same-day nor walk-in registration/scheduling for testing is permitted. Fees vary for each test. Valid government ID (non-expired driver’s license or passport) must be presented at testing. ID requirements vary by test; additional ID may be required.

HOURS
Hours of operation are Monday through Friday, 8 a.m. to 4:30 p.m.

MAILING ADDRESS
Academic Testing Center
Coastal Carolina University
P.O. Box 261954 • Conway, SC 29528-6054

PHYSICAL ADDRESS
Coastal Science Center, Room 102
301 Allied Drive • Conway, SC 29526

The Academic Testing Center is NOT located on the Coastal Carolina University main campus. It is located across U.S. Hwy. 501. Convenient parking is available.
Coastal Carolina University’s Academic Testing Center provides testing in a professional, secure, distraction-free environment. Testing services are available to assist students throughout their pursuit of higher education. The Testing Center adheres to high standards of testing integrity and security. Several methods of test delivery are available, including computer-based or Internet-delivered and paper/pencil. Staff at the Testing Center are trained and certified to ensure a pleasant testing experience.

- **American College Testing (ACT)** is a paper/pencil based test which is administered only on national test dates. It is designed to assess high school students’ general educational development and their ability to complete college-level work. To register for this test, visit actstudent.org.

- **College Level Examination Program (CLEP)** is a system of credit by examination, sponsored by the College Board. Only select exams are accepted for credit at Coastal Carolina University. A CLEP brochure is available at the Academic Testing Center website, coastal.edu/testcenter.

- **Comira** provides computer-based testing services for licensing, certification, assessment and educational testing programs. For a complete list of tests offered or to schedule an appointment, visit comiratesting.com or call 800-947-4228.

- **DSST** is a college credit by exam test, similar to CLEP. Coastal Carolina University does not currently award credit for DSST, but the Testing Center is an open testing facility and administers these tests for students of other institutions. To register, complete the form found online at coastal.edu/testcenter/registration. For more information on DSST testing, visit getcollegecredit.com.

- **Exit Exams** are used by Coastal Carolina University to measure students’ mastery of their chosen fields of study, assess the effectiveness of programs and improve curricula. Students typically take the exit exam during their final year at CCU after completing most of their major’s required courses.

- **Graduate Management Admissions Test (GMAT)** is a computer-based test utilized by graduate programs to assess qualifications for advanced study in business and management. To schedule an appointment to take the exam, you must first register online at mba.com.

- **Graduate Record Exam (GRE)** General Test measures verbal reasoning, quantitative reasoning, critical thinking and analytical writing skills that are not related to any specific field of study. This test is offered via computer during regular Testing Center hours. The GRE® Subject Test is a paper/pencil test offered on national test dates that gauges undergraduate achievement in eight specific fields of study. For more information about the GRE or to schedule an appointment, visit ets.org/gre.

- **LSAC Law School Admission Test (LSAT)** is a standardized, paper/pencil test given only on national test dates. All American Bar Association (ABA)-approved law schools and many other law schools require applicants to take the LSAT as part of their admission process. Refer to lsac.org for testing dates and registration information.

- **Make-up Exams (excluding disabilities testing)** will be administered by the Testing Center staff for any CCU student who is unable to test in the classroom because of an accident, illness or other excused absence from class, if requested and approved by the instructor. Advance paperwork and appointments are required. For more information, visit our website at coastal.edu/testcenter.

- **Medical College Admission Test (MCAT)** is a standardized, multiple-choice examination designed to assess problem solving, critical thinking, writing skills and knowledge of science concepts and principles as a prerequisite to the study of medicine. The MCAT is a computer-based test and is offered on national dates during the year. For more information and to register to take the test, please refer to aamc.org/students/applying.

- **Miller Analogies Test (MAT)** is a test of high-level mental ability that requires the solution of problems stated as analogies. Graduate programs may accept MAT scores for admission. The MAT registration form can be found at coastal.edu/testcenter/registration. For more information about the MAT, visit milleranalogies.com.

- **Multistate Professional Responsibility Examination (MPRE)** measures the examinee’s knowledge and understanding of established standards related to a lawyer’s professional conduct. Contact information for jurisdictions can be found at ncbex.org.

- **National Board for Professional Teaching Standards (NBPTS)** is a computer-based assessment test for education professionals seeking National Board Certification, an advanced teaching credential. For more information, please visit nbpts.org or call 800-22TEACH.

- **National Registry of Emergency Medical Technicians (NREMT)** is a computer-based test covering the certifications of EMR, EMT, AEMT and Paramedic. For more information or to register for an exam, visit the NREMT website at nremt.org.

- **Performance Assessment Network (PAN)** offers a proctored exam delivery system which administers assessments for pre-employment selection, licensure and certification, entrance examinations and training assessments. Candidates register for testing appointments online via URLs that are supplied by the employer, usually after the initial interview.

- **Pharmacy College Admission Test (PCAT)** is endorsed by the American Association of Colleges of Pharmacy (AACP) as the official preferred admission test for entrance to pharmacy college. The computer-based test is administered on national test dates. For information on registration and test dates, refer to pcatweb.info.

- **Praxis Core Academic Skills for Educators (Core)** exams are designed to measure basic skills in reading, writing and mathematics. They are used to evaluate individuals for entry into teacher education programs. For more information or to register, candidates must go online to ets.org/praxis.

For additional information on exams offered, contact Coastal Carolina University’s Academic Testing Center at 843-349-4011.
