Welcome to Coastal Carolina University!

Discovery Day is our most complete visit experience. On the following pages, you will find a schedule of activities and sessions offered during Discovery Day. We encourage everyone to attend the Welcome Session at 9:30 a.m. Discovery Day is designed to be flexible to meet your needs; therefore, students and families are welcome to attend separate sessions.

Carefully review the program and take advantage of all the opportunities available throughout the day. Take every chance to meet people, ask lots of questions and imagine yourself in this community. If you have any questions, please ask any of the CCU staff you meet today.

Enjoy your visit!
