Chairman Larry Lyles brought the meeting to order at 12:00 p.m.

Sam Frink moved to approve the February 26, 2015 committee minutes. Dan Moore seconded and the motion passed.

President David DeCenzo reported that the General Assembly has been working feverishly on next year’s budget. Senators Rankin and Cleary made an appointment with Senator Hugh Leatherman to discuss the need of recurring funds for Coastal Carolina University. Senator Leatherman was receptive. Obviously, the issue is how much the State has to spend. The House version has $1.45M additional recurring funds for Coastal Carolina in the budget and it is hoped that it will hold when it goes to the Senate.

Lyles congratulated Dr. DeCenzo on his developing relationship with Senator Leatherman.

The proposed bond bill is tied to the budget but is a separate piece. It has had considerable debate. It will not add one additional dollar of debt to the State as it will remain consistent with what the state has been paying for 15 years.

DeCenzo reported that he is pleased with the performance of Nelson Mullins Riley & Scarborough’s Craig Metz in Washington, D.C. and that we are getting a good return on our investment.

As there was no other business, Dan Moore moved to adjourn and Marion Lee seconded.

Respectfully submitted,

Chyrel Stalvey for
