Coastal Carolina University
Payment Plan Agreement

Payment plans are available for regular Fall and Spring semesters only and the student must sign up for each semester he/she wishes to have the payment plan option for his/her account. Each student must have a zero balance to be eligible for the payment plan option.

Payment plans are calculated on all student charges for the semester (including tuition, housing, meal plans and other miscellaneous charges). The plan starting balance is calculated as student charges less pending financial aid. The plan amount is payable in four payments. The first payment is equal to 1/4 of the plan starting balance plus a NON-REFUNDABLE $35 set-up fee. Changes to student charges and/or changes to financial aid awards after the initial plan set-up may alter the plan balance and future payment amounts. It is the responsibility of the student to monitor changes and comply with the adjusted payment amounts.

Fall future payments (2nd, 3rd and 4th payments) are due on Sept. 15, Oct. 15 and Nov. 15. Future Spring semester payments (2nd, 3rd and 4th payments) are due on Feb. 15, Mar. 15 and Apr. 15. An e-mail reminder will be sent to the student’s coastal.edu e-mail address as a reminder for the next installment on the payment plan. If the student enrolls a secondary payer in WebAdvisor for Parents/Guardians, that secondary payer will also receive e-mail reminders. It is the student’s responsibility to ensure the secondary payer receives the reminder notification.

TERMS AND CONDITIONS

I certify I have read and understand the terms and conditions of the Coastal Carolina University Payment Plan Agreement and agree to those terms and conditions. I certify that I am enrolled as a student in three (3) or more credit hours at Coastal Carolina University and have no other outstanding obligations with the University from prior semesters.

I understand any delinquent payments are subject to an additional late fee of $25. To avoid late fee charges, all mailed payments must be received BEFORE the due date of the payment. All telephone and fax payments must be received at the Office of Student Accounts by 5:00 p.m. on the payment due date to avoid late fees (if the due date falls on a weekend or South Carolina state holiday, the due date is the next business day).

I acknowledge this Payment Plan Agreement obligates me to pay tuition, fees and other related expenses. I further understand and agree that my account may be referred to a collection agency if I fail to make a timely payment, and I will be responsible for all collection fees, attorney fees and court costs incurred by the University in collecting my delinquent account. I understand I am bound by these policies for the duration of my enrollment at Coastal Carolina University and until all final charges are paid in full.

I authorize Coastal Carolina University and their respective agents and contractors to contact me regarding my charges, including repayment, at the current or future number that I provide for my cellular phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.

I understand that I am authorizing a bank draft or charge to my credit card for the initial payment only. Future payments may be made online through WebAdvisor, or by contacting the Office of Student Accounts in person or by telephone. I understand that payments made online or by phone with VISA, MasterCard, Discover or American Express will be charged a service fee of 2.7% by Official Payments. COASTAL CAROLINA UNIVERSITY DOES NOT AUTO-CHARGE YOUR CREDIT CARD FOR FUTURE PAYMENTS.

I understand future payments may be adjusted due to changes in student class schedules and/or financial aid awards. I understand it is my responsibility to monitor changes and comply with the adjusted payment amounts within the prescribed plan timelines for payment.

I will notify the Office Registrar of any changes to my name, address and/or contact information.
