Melany.mader@cancer.org
843-213-0333

Location:
950 48th Ave. N, Myrtle Beach, SC 29577

Volunteers Needed:
Oct.-May / M-F / flexible times
from 8am-5pm

Agency Description:
ACS is the nationwide community-based voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer, through research, education, advocacy and service.

Volunteer’s Duties:
Assisting ACS staff with all aspects of Relay For Life including promotion, recruitment, training, organization, motivation and meetings. Some light office and/or mission related duties will also be included.

Students will be trained as needed.

Internship Opportunity:
Duties would be the same as listed above for any student interested in interning at ASC. The majors that best suited to ACS, but will interview other students, would include Communications, Health Promotion & Accounting/Business.
