SUMMARY:
Arson, or the setting of fire, tampering with or misuse of fire safety equipment (including smoke detectors, sprinkler heads, fire-alarm systems, fire-fighting equipment or building security systems), is extremely dangerous, illegal and prohibited.

POLICY:
Arson, or the setting of fire, tampering with or misuse of fire safety equipment (including smoke detectors, sprinkler heads, fire-alarm systems, fire-fighting equipment or building security systems), is extremely dangerous, illegal and prohibited. Immediate evacuation when an alarm sounds is mandatory and re-entry into a building before staff authorization is given is prohibited. The burning of candles and/or incense is prohibited in all University-owned housing. Residents found responsible for the possession and/or burning of candles may be removed from the residence halls. Possession of previously burned candles is also prohibited. Charcoal stoves and/or lamps (e.g. Coleman stoves, Hibachis), gasoline motors of any type, including motorcycles and mopeds, are also prohibited inside housing facilities.
