Coastal Carolina University’s Department of Campus Recreation offers programs for the community as well as the University.

The Coastal Carolina Crocs Jr. Swim Team is open to ages 6 to 18 years. The program offers a great way for participants to enhance their swimming skills and become more involved in a competitive environment. Our focus is to provide a fun, learning atmosphere where individuals can build endurance and refine their strokes.

Our staff provides instruction on stroke technique and refinement. All participants must be able to swim at least 25 yards (one length of the pool) using at least one of the competitive strokes (freestyle, backstroke, breaststroke or butterfly).

The purpose of our program is to help participants refine strokes, not to teach basic skills. If your child is not ready for this team environment, we suggest our American Red Cross Learn to Swim program.

Practices involve endurance training, skill-specific events and stroke refinement.

We participate in the Summer Swim League in Myrtle Beach during the summer months. All meets take place at Pepper Geddings Recreation Center on Oak Street at 32nd Avenue North in Myrtle Beach. All practices for the Coastal Carolina Crocs are held at Coastal Carolina University.

Jr. Swim Team Registration Fee
The Jr. Swim Team registration fee covers the expenses of staff and an end-of-season party. A percentage of the registration fee is also given to the City of Myrtle Beach to cover ribbons, medals, T-shirts and bag costs. Team swim suits are optional, but are not covered in the registration fee.

We are accepting only the first 30 people who register in each age group, so REGISTER EARLY!
COASTAL CAROLINA UNIVERSITY AQUATIC PROGRAM

TEAM SUITS
Team suit are optional. A minimum order of six must be placed in order to receive a discount. The coaches will be taking orders the first week of practice.

INCLIMENT WEATHER
Practices and swim meets will be held through rain and heavy storms, but NOT LIGHTNING! While we will make every effort to keep the schedule, in the event of lightning swimmers must exit the pool for at least 20 minutes after the last streak of lightning is seen. It will be up to the coaches and parents as to whether the swimmers will attend practice or the meets.

SWIM MEETS
All parents and spectators must remain in the balcony area of Pepper Geddings aquatic facility. No parents are allowed on the deck. Coaches will be responsible for keeping the team together on deck and ensuring each swimmer is ready for his/her event. All swimmers must complete a Myrtle Beach Registration Form prior to the first meet. Forms will be available at our first practice.
