

Minor Certification Application

Office of the Registrar

A minor requires a minimum of 18 credits outside the major subject area (with the exception of Marine Science). Course requirements for the minor are specified by the school offering the minor. A grade of "C" or above is required in all courses to be applied toward the minor.

Minors are posted in conjunction with a degree and major only.

Date _____

Catalog year _____

I certify that I have examined, or have had examined by my designee, the college work of:
