How to Navigate Moodle

Quick Tips

- Current assignments and quizzes may be listed under the course name on your Moodle home page.
- The Navigation block lists all your courses.
- Click the triangles ▶️ to the left of items in the Navigation block to expand the lists.

2. Click the name of the course you want to access. The home page of the course will appear.

3. To access content within the course, click on the links in the sections listed in the “outline” down the center of the screen. Your course outline might be arranged by weeks, topics, or other formats.

4. To navigate back through the course, use the breadcrumbs at the top of the screen. OR use the course menu in the Navigation block on the left side of the screen.

To move to another course, click the name of the course in the Navigation block on the left.
