

Application for Eco Representatives

Coastal Carolina University Eco Representatives are students who learn about environmental issues and organize environmental actions in their dorms and around campus. Eco Reps are expected to attend and be on time to all meetings for the Spring 2008 semester as well as complete the tasks and actions that will be planned on campus. Time commitment is 1-5 hours per week. Upon completion of the program, student Eco Reps will be compensated \$200. Meeting times will be every other **Monday from 6-8pm.**

Name _____

Local Address _____

Cell Phone _____

E-mail _____

Class status _____

Major/Minor _____

What ideas do you have about actions that can be taken on campus?

Briefly describe how you could contribute to the Eco-Rep program.

Please list any clubs or organizations that you are currently involved in or will be involved in during the Spring 08 semester:

I understand that compensation will be given only if I fully participate and complete the entire program.
