Coastal Carolina University was founded in 1954 by local citizens as a two-year junior college. A branch campus of the University of South Carolina for more than 20 years, Coastal Carolina began granting four-year degrees in 1974. CCU is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACS). The University continues unprecedented growth to serve the needs of its students and community.

THE CAMPUS

The University comprises 69 main buildings on 631 acres of the fastest-growing metropolitan areas in the nation. Continuous growth and diversity, balanced with a sense of tradition, are distinctive characteristics of the region and the University.

Of the approximately 9,000 Coastal Carolina University students enrolled in fall 2011, 52 percent were from South Carolina and 48 percent were from 45 other states and 41 foreign countries. The University has 367 full-time teaching faculty, 78 percent of whom have doctoral or terminal degrees, as well as more than 550 full-time staff members. University residence halls accommodate approximately 3,300 students.

The University offers 55 areas of study toward the baccalaureate degree and seven master's degree programs, including coastal marine and wetland studies, education, writing, and the MBA. New undergraduate programs include biochemistry, economics, graphic design, information systems, and theatre arts. Additional specializations have been added to the existing undergraduate programs in biology, finance, and sociology.

Making a campus visit is one of the most important steps in choosing a college. Every college has a look, feel, and sense of possibility that are all its own. Coastal Carolina University is no different, so come see for yourself and find out why so many students experience Coastal Carolina and know this is the place for them!

WEEKDAY TOURS

Weekday visits offer our most personalized visit experience. Students and parents participate in a guided tour and can meet with an admissions counselor. Tours are offered September through April at 9:30 a.m. and 2 p.m., Monday through Friday. May through August, tours are offered only at 9:30 a.m. Call ahead for tour availability during the holidays. Admission meetings are typically scheduled after the tour, and appointments are preferred but not required. Meetings with financial aid counselors, faculty, department heads, or coaches must be scheduled in advance. Our office will assist you in arranging meetings with these individuals.

SATURDAY TOUR PROGRAMS

Tours are offered on selected Saturdays. Please note that these programs are offered on a space-available basis; attendance is limited and reservations are highly recommended. Check-in is at 9 a.m. and the tour begins at 9:30 a.m. An admissions counselor will be available after the tour, but no additional faculty and staff are present.

DISCOVERY DAYS

Discovery Days offer our most complete visit experience and occur in the spring semester. You will have the chance to tour the campus, talk with current students, learn about our academic programs, and meet other students who are choosing CCU. These programs typically take place on a Saturday and attract prospective students from Coastal Carolina and across the U.S. Admissions and financial aid counselors will be available after the tour, but no additional faculty and staff are present.
