

FEES AND EXPENSES

COASTAL CAROLINA
UNIVERSITY

FEES AND EXPENSES

Coastal Carolina University reserves the right to alter any of the following charges without notice when deemed necessary. All charges are due and payable on the date that they are incurred, or the due date indicated on the ticket, invoice, or statement. Checks for the exact amount of the total charges should be made payable to Coastal Carolina University.

Any student who fails to pay all required registration fees on or before the cancellation date will be dropped from the class rolls.

A student who fails to relieve any other indebtedness to the University or to any of its auxiliary agencies on the date such obligations become due and payable may not be permitted to attend classes, take final examinations, or be issued a transcript, diploma, degree, grade reports, or any other official statement.

Failure of a student to properly register and appear on class rolls and failure to pay tuition disqualifies the student from receiving credit for any course work, even if the student attends class and takes exams and earns a grade with the permission of the instructor.

RESIDENT STATUS FOR TUITION & FEES

Coastal Carolina University is required under guidelines enacted by South Carolina Legislature to determine the residence classification of applicants and students for purposes of fees and tuition. The initial determination of one's resident classification is made at the time of admission. Students seeking a change to a South Carolina resident classification for tuition and fee purposes must complete the Application for Classification as a South Carolina Resident for Tuition and Fee Purposes.

Persons applying for resident classification must complete a residency application and supply supportive documentation at least three weeks prior to the fee payment deadline for the applicable term to allow sufficient time for a decision to be made. Persons who submit residency applications less than three weeks prior to fee payment deadlines for applicable terms may be required to pay out-of-state fees.

The rules regarding the establishment of legal residence for fee and tuition purposes at the University are governed by the Code of Laws of South Carolina. Under the law, residence for fee and tuition purposes can be established by an independent citizen or by certain aliens. There are also provisions in the law applicable to the resident classification of dependent persons. Generally, the resident status of a dependent person is based on the resident status of the parent, spouse or guardian upon whom the dependent person is financially dependent.

Inquiries regarding residency requirements and determinations should be directed to the Admissions Office, Coastal Carolina University, P.O. Box 261954, Conway, SC 29528-6054, (843) 349-2026.

Refunds due directly to the student will be applied first to the student's unpaid charges.

Policy for Withdrawal Refunds

Students who withdraw from the institution will be given a refund on the basis of either 1) University refund calculation (students who do not receive Title IV Federal Financial Aid), or 2) University refund calculation and Return of Title IV Funds Policy (students who receive Title IV Federal Financial Aid). Both refund calculations conform to federal regulations set forth by the Higher Education Act of 1965, as amended by the Higher Education Amendments of 1998 (Public Law 105-244 approved on Nov. 1, 1999).

The Return of Title IV Federal Funds Policy applies only to students at the University who are recipients of Title IV Federal Financial Aid. A copy of the Return of Title IV Funds Policy worksheet is available in either the Office of Financial Aid or the Bursar's Office.

The University policy applies to all other students who withdraw from the institution.
