Discover: Finding Videos

Discover allows you to search multiple databases at once to find books, articles, videos, and more. To find videos, type your keywords in the search box at the top of the page and then press enter.

Note that if you’re off campus, you’ll need to log into your Coastal account by clicking the login link at the top of the results page. To limit to videos, choose the video option from “Source Types” in the menu at the left.
You may need to click “Show More” to see the videos option.

To refine your results, you can limit by publication date, also in the menu at the left, or you can change the keywords in the search box at the top of the page.
To watch a video, click the “Retrieve Catalog Item” link and then click “Streaming video. Click here for access.”
