Welcome to Coastal Carolina University!

Discovery Day is our most complete visit experience. On the following pages, you will find a schedule of activities and sessions offered during Discovery Day. We encourage everyone to attend the Welcome Session at 9:30 a.m. Discovery Day is designed to be flexible to meet your needs; therefore, students and families are encouraged to attend separate sessions.

Carefully review the program and take advantage of all the opportunities available throughout the day. Please note that some sessions are repeated during the day. We have included a “Build Your Own Schedule” feature inside this agenda. Use it to plan the sessions you’ll attend and refer to it throughout the day.

Take every chance to meet people, ask lots of questions and imagine yourself in this community. If you have any questions, please ask any of the CCU staff you meet today.

Enjoy your visit!

Note: Locations for each session will be included on the final agenda guests receive at check-in at the event.

Edwards Theatre
Tickets available at coastal.edu/culturalarts or ticketreturn.com.

We hope you’ll enjoy the theatre department’s performance of a play by Timberlake Wertenbaker, “Our Country’s Good.”

“Our Country’s Good” tells the story of a civilizing experiment that takes place in 1789 in the first penal colony in Australia. The play about the humanizing and transformative power of theater brings to vivid life the earthy humor of the convicts, the brutality of their treatment and the fractiousness of the naval officers in charge of a tense environment on the other side of the world.
