28. NON-ACADEMIC ADMISSIONS REVIEW

   All applicants are required to answer to a series of non-academic admissions review questions on the admission application. Responses to these questions are initially reviewed by the Office of Admissions and Merit Awards. Some cases are referred to the non-academic admissions review committee for further review. This non-academic review process supports the University’s goal of maintaining a safe learning community. Failure to submit complete responses and/or falsification of responses may result in revocation of admission decision or dismissal of the student if false information or incomplete responses are discovered after enrollment. Any incident resulting in any change to the applicant’s responses subsequent to submission of the application must be immediately reported by the applicant, in writing, to the Office of Admissions and Merit Awards. Failure to do so may result in the revocation of the admission decision or dismissal of the applicant after enrollment. In addition, registered students are not allowed to enroll in classes or participate in campus activities. Failure to disclose registration at any time shall result in immediate dismissal.

   The University reserves the right to place conditions on admission of any student. In the event such action is taken, the conditions will be clearly explained in the letter of acceptance.

   If you answer “yes” to any of questions 1 - 9 below, we may request that you provide additional documentation to complete your admission application.
