My Journey with DHEC's Aquatic Science Programs; A look at the past, what we do now, and where we would like to go.

Bryan Rabon  
Manager  
Aquatic Science Program  
SC Dept. of Health & Environmental Control.

Abstract: The Aquatic Science Programs in various forms have a long history at DHEC. I will talk about where we came from, what we do now, and what we would like to do in the future. This group's work spans from collecting bugs in the creek, fish in the lakes, and assess the health of many of the waters in the state.
