Reflection is an important part of any learning process. Review the following questions and answer each prompt with 2-3 sentences. Submit your answers in a word document to http://tiny.cc/CCUConduct.

**Self Reflection**

**Guiding questions**

**Personal Impacts.**
What has been the biggest impact of this process on you, personally?

**Family/Support Impacts.**
What are some ways you could share what you have learned with your family or support system?

**Introspection.**
What, if anything, would you have done differently in the moment?

**Academic Performance.**
How did this incident impact your ability to be a student?

**Community & Citizenship.**
How did your peers influence your decision-making?

**Final Thoughts.**
What is one thing you would change about this entire process?
