

The PRAXIS Test

Scheduling your test at CCU

How do I test at CCU?

- You will register, pay an exam fee, and schedule an appointment directly with ETS.
 - All of this can be done online by visiting the Praxis website (www.ets.org/praxis)
 - Choose one of our two site numbers: **STN10728a** or **STN10728b**. Each site number offers its own appointment options, so make sure to check both

Benefits of testing at CCU:

- Tests are offered Monday thru Thursday with various start times
 - Start times are 9:00 am & 10:00 am
- Convenient location on the east campus in the Coastal Science Center
- Abundant parking
- Quiet, secure testing environment; Test Center and staff consistently receive very high satisfaction ratings from testers

Important Reminders:

- Don't forget to review *The Praxis Tests Information Bulletin 2022-23* on the praxis website
- Arrive at least 30 minutes prior to appointment
- For a description of what happens on test day, visit our website

For additional information or instructions:
