

Modified Final Exam Schedule - Spring 2020

Final exam times will follow the Spring 2020 [Final Examination Schedule \(FES\)](#) as published by the Office of the Registrar.

Students will be allowed a 72-hour window to start their final exam from the time stated in the FES. Grades for each course must be submitted within 144 hours (6 days) from the start time of the final exam per the FES for that course.

Example:

A student taking a final exam in *Block 3 (Math)* scheduled for *Tuesday May 5 at 8:30AM* will have until *Friday May 8 at 8:29:59AM* to **begin*** the final exam.

Grades for the final exam would then be **due** to the Office of the Registrar by *Monday May 11 at 8:29:59AM*.

***Note:** while students may *begin* an exam at any point during the 72-hour window, faculty may still limit the amount of time a student has to *complete* the exam.
