Suggestion Boxes
There was a suggestion about having Friday be a dress-down day in which employees would pay a small donation for doing so. The money would then go to charity. S. Williams agreed to run this by President DeCenzo.

Web Page Comments
There was a suggestion in reference to the fountain in front of the Singleton Building. Suggestor would like the water in the fountain to be tinted teal or either have colored lights shining on it to give the effect of teal water. S. Williams will check with our campus grounds superintendent to see if this would be possible.

Additional discussion items
M. Hurt said that she had been asked by another employee about why we do not send out updates anymore. Meg explained to her that we post all of our minutes on our website. We also reply directly to employees who identify themselves in their request. This led to a discussion on how often we should send our reminder emails out to inform employees of the existence of the Staff Advisory Committee. M. Hurt agreed to help in developing a schedule and to develop the wording for an email reminder for the committee to review.

Adjournment
The meeting was adjourned at 10:50 a.m. with a motion from D. Altman and seconded by M. Hurt.

Next Meeting
The next SAC meeting will be held May 14, 2013 in SNGL 112.
