Old Business: We followed up on a suggestion that F. Weeks had from her office requesting that the University begin administrative evaluations for evaluating supervisors. Sample forms were forwarded to Kim Sherfesee in Human Resources who agreed to look at them and get back to us through V. Rabon (or her replacement since it is the end of her term on the council).

New Business:
None

Suggestion Boxes:

- There was a suggestion that Teal Tuesday specials be offered at Cino Grill. R. Sessions is going to forward to Sandy Baldridge, Manager, Contractual & Business Services.
- There was a suggestion given that something needs to be done about the fact that there is no sidewalk at the end of the Procurement Building. Therefore, a lot of dirt is tracked into the building. S. Williams will look into this matter.

Web Page Comments:

- A suggestor noted “There are no speed limit signs on University Blvd. heading from 501 to 544. There is only one speed limit sign on University Blvd. from 544 to 501 and this one is so close to 544 that it is barely noticeable when turning on to University Blvd. from 544. Can DOT put some speed signs out there?” R. Sessions responded that SCDOT has been contacted and a work order has been done to install a speed limit sign on University Blvd. from Highway 501.

Adjournment: The meeting was adjourned at 11:09 am with a motion from D. Altman and seconded by C. Madden.

Next Meeting: The next SAC meeting will be held June 25, 2013 in the Wall Board Room. Please note the meeting location has changed.
