INDUSTRY EXPERIENCE:

EXELON CORPORATION

Baltimore, MD

Internal Auditor – Exelon Nuclear

November 2014 – May 2017

- Lead auditor on operational audits of the largest nuclear power fleet in the United States. Activities include risk assessing processes, deriving audit scope, creating risk & control matrices, formulating audit programs, and conducting fieldwork.
- Responsible for setting milestone dates, monitoring project progress, and status reporting to internal and external stakeholders for the aforementioned reviews
- Author audit reports, as well summarize and vet findings and recommendations with executive management.
- Consistently receive excellent customer (auditee) feedback scores (above 4.5 out of 5.0 scale over 2+ years) obtained through post-audit surveys
- Assist additional internal audit teams (Constellation Energy, Regulated Utilities) with operational audits
- Special audits conducted include system implementations, design of project management plans, analyzing business processes to identify potential gaps & deficiencies, as well as root cause analyses
- Assist the Exelon financial controls group with Sarbanes-Oxley (SOX) testing during periods of high demand
- Perform procedures to close & confirm outstanding audit issues from Nuclear, Power, Constellation, and Utility reviews
- Member of the Audit & Controls SharePoint Initiative representing the Nuclear & Power Team. Serve as a department SharePoint Champion

U.S. DEPARTMENT OF DEFENSE – DEFENSE CONTRACT AUDIT AGENCY

Columbia, MD

Senior Auditor

November 2012 – July 2014

- Reviewed audit risk assessments, workpapers, and transaction testing plans of junior auditors
- Trained and acted as a mentor for multiple new employees in support of a mass hiring initiative
- Regularly coordinated across various government entities (Army, Navy, Air Force, NASA, and the Department of Energy) to ensure stakeholders had the necessary information and support to achieve desired results

Auditor

November 2010 – November 2012

- Performed accounting system and fiscal year expense audits of federal contractors
- Tested costs incurred on federal contracts for compliance with applicable federal laws and regulations (primarily federal cost accounting standards as well as federal acquisition regulations)

CERTIFICATIONS & TRAINING:

CERTIFIED PUBLIC ACCOUNTANT (CPA)

- New York State License #116526 – December 2014
