PREAMBLE

The Horry County Higher Education Commission was created under Act 114 of the 1959 Session of the General Assembly of South Carolina, as codified by §31-3071 et seq. of the Code of Laws of South Carolina (1962), as amended in part by 1963 S.C. Acts 131, as amended in part by 1965 S.C. Acts 186, as amended in part by 1973 S.C. Acts 493 (as repealed by Horry County v. Horry County Higher Education Commission, 306 S.C. 416, 412 S.E.2d 421 (1991)), as amended in part by 1987 S.C. Acts 273 (as repealed by Horry County v. Horry County Higher Education Commission, 306 S.C. 416, 412 S.E.2d 421 (1991)) (as amended from time to time, the “Act”) to develop physical facilities in which an appropriate institution of higher learning can function in Horry County. To more effectively discharge its responsibilities and duties in connection therewith, the Commission does promulgate and adopt these Bylaws.

ARTICLE I

NAME OF COMMISSION

The name is fixed by statute of the State of South Carolina and is the Horry County Higher Education Commission, and shall be referred to hereinafter as the “Commission”.

ARTICLE II

COMMISSION MEMBERS

Section 1. Members. (a) The number of voting members (the “Members”) of the Commission shall be a maximum of the greater of (i) the number of public school attendance areas in Horry County, or (ii) sixteen (16). All Members shall be appointed by the Governor upon the recommendation of a majority of the Horry County Legislative Delegation, including the Senators, provided always that there shall be at least one Member residing in each of the public school attendance areas in Horry County. The Members who are not appointed with reference to any such attendance area are referred to hereinafter as “At-Large Members;” and the Members who are appointed with reference to a particular attendance area are referred to hereinafter as “Designated Members.”

(b) Notwithstanding the foregoing, the Commission may temporarily have more Members than provided in Article II, section 1(a), where such increase results from an increase in the number of public school attendance areas in the County. Any such temporary increase shall continue until the earliest of (i) the death, resignation, or removal of an At-Large Member, in which event such At-Large Member shall be deemed to have been replaced by a Designated Member appointed with reference to the new attendance area for the balance of the term of such Designated Member; or (ii) the expiration of the term of an At-Large Member, in which event the Designated Member shall commence a four (4) year term beginning as of such expiration. In all instances in which a Designated Member so succeeds an At-Large Member, the number of At-Large Members shall be reduced accordingly.

(c) Notwithstanding the foregoing, if the number of such attendance areas increases and an At-Large Member is a resident of the attendance area not represented on the Commission
as a result of such increase, such At-Large Member shall be deemed to be a Designated Member with respect to such attendance area effective as of the effective date of the creation of such new attendance area, and the number of Members shall not increase.

(d) If the terms of two (2) or more At-Large Members expire simultaneously when one (1) new Designated Member needs to be accommodated as contemplated in Article II, section 1(b), or if two (2) or more At-Large Members qualify to become Designated Members as contemplated in Article II, section 1(c), the Horry County Legislative Delegation (including the Senators) shall determine the identity of the At-Large Member affected thereby, with the advice of the Nominating/Legislative Committee as contemplated in Article VI, section 9.

(e) The Commission shall have the power to appoint non-voting ex officio and advisory members.

Section 2. Terms. The term of service for each Member shall, subject to such Member’s earlier death or resignation or removal, be four (4) years, or until his or her successor shall have been appointed.

Section 3. Absentees. Any Member failing to attend more than three (3) consecutive meetings or half of the meetings within a six month period, unless excused by the Chairman prior to the meeting for reasons beyond control of the Member (illness, death in family, etc.), shall be considered inactive and asked by the Chairman to resign.

Section 4. Vacancies. Any vacancy on the Commission shall be filled by the Governor on the recommendation of a majority of the Horry County Legislative Delegation. Such successor shall be appointed for the balance of the unexpired term, but each Member of the Commission shall hold office, subject to such Member’s earlier death or resignation or removal, until his or her successor has been appointed and shall qualify.

Section 5. Compensation. Members, ex officio members, and advisory members shall serve without compensation or fees. The Commission may authorize the payment of, or reimbursement for, reasonable documented expenses of each Member related to such Member's attendance at meetings.

Section 6. Service on Other Foundations or Boards. No Member may sit, except in an ex-officio capacity, on any foundation or board of Coastal Carolina University.
ARTICLE III
POWERS AND DUTIES OF THE COMMISSION

Section 1. Authority and Powers of the Commission. The Commission shall be responsible for attainment of the objectives specified in these Bylaws. The Commission is empowered to enter into contracts, make binding agreements and generally to take such actions in its name as are necessary or desirable to conduct and monitor its business. Within these fundamental responsibilities, the Commission shall have certain powers, including but not limited to the following:

1. to adopt and use a corporate seal;
2. to sue and be sued;
3. to adopt such bylaws, rules and regulations for the conduct of business and the expenditure of its funds as it may deem advisable;
4. to fix and define the terms of the officers of the Commission;
5. to operate its affairs on a fiscal year coinciding with that of Horry County;
6. to acquire an appropriate site within Horry County and to construct and equip thereon appropriate facilities of the sort authorized;
7. to acquire by gift, or purchase, or otherwise, all kinds and descriptions of real and personal property;
8. to accept gifts, grants, donations, devises and bequests;
9. to make contracts for the construction, architectural and otherwise, with competitive bids, of a suitable building and for such other purposes as may be required by the Commission, under such terms and conditions as it shall deem appropriate;
10. to expend any funds, including the proceeds of any bonds issued by Horry County, to defray costs incident to the construction and equipping of the building herein authorized;
11. to enter into leases with private eleemosynary corporations or other public agencies under which the facilities acquired and owned by the Commission may be utilized for the promotion of higher learning in Horry County; provided, that any such lease shall be subject to the provision that it may be terminated, at the option of the Commission, at the close of any school year ending three years subsequent to the date of such lease, if the Commission shall determine that the method employed by any lessee for the promotion of learning within Horry County does not fulfill the intendment of 1963 S.C. Acts 131, and in such event to enter into further leases with other eleemosynary corporations or public agencies for the utilization of the building for the purposes intended, or if it shall be determined by the Commission that the
leasing of its facilities no longer serves the purposes for which intended, then to make them available to the public school system or other agencies of Horry County;

12. to impose such terms and conditions in any lease which it shall make, which will reserve in the Commission the right to supervise the activities of any lessee, in order to insure the utilization of its facilities for the purposes therein intended; and

13. to fix and maintain such rentals, if any, as it shall determine for the use of the facilities.

**ARTICLE IV**

**MEETINGS OF THE COMMISSION**

Section 1. **Regular Meetings of the Commission.** The Commission may meet at such times as it may deem necessary, such meetings to be called by the Chairman, or upon the written request of at least nine (9) of the Members; provided, however, that the Members shall have an annual meeting at which, among other things, officers shall be elected.

Section 2. **Notice of Regular Meetings.** Notice of the time and place of all regular meetings of the Commission shall be provided in the form required by Article XII, Section 2 of these Bylaws to each Member by the Secretary not less than five (5) business days before each meeting, and, where practicable, an agenda for said meeting will accompany the notice.

Section 3. **Special Meetings of the Commission.** Special meetings of the Commission may be called by the Chairman or upon written request signed by any nine (9) Members of the Commission. Notice of such special meeting shall be provided in the form required by Article XII, Section 2 of these Bylaws to each Member by the Secretary not less than two (2) days in advance of the meeting.

Section 4. **Waiver of Notice.** A Member may waive any notice required by the Act or these Bylaws. The waiver must be in writing, signed by the Member, and filed with the minutes or the corporate records; provided, however, that a Member’s attendance at or participation in a meeting waives any required notice of the meeting unless the Member, upon arriving at the meeting or prior to the vote on a matter not noticed in conformity with the Act or these Bylaws, objects to lack of notice and does not thereafter vote for or assent to the objected to action.

Section 5. **Quorum.** Except as otherwise provided by the Act or these Bylaws, a quorum of the Commission consists of a majority of duly appointed Members in office present at a meeting. For purposes of determining the presence of a quorum, a Member who attends a meeting for the purpose of objecting to the holding of a meeting or the transaction of business at the meeting shall not be considered present unless such Member thereafter waives notice. The Chairman may reschedule any meeting at which a quorum is not obtained.

Section 6. **Voting Requirements.** If a quorum is present when a vote is taken, the affirmative vote of a majority of Members present is the act of the Commission unless the Act or these Bylaws require the vote of a greater number of Members. A Member who is present at a
meeting of the Commission or of a committee of the Commission when corporate action is taken is considered to have assented to the action taken unless (i) the Member objects at the beginning of the meeting, or promptly upon arrival, to holding the meeting or transacting business at the meeting; (ii) the Member votes against the action and the vote is entered in the minutes of the meeting; (iii) the Member’s dissent or abstention from the action taken is entered in the minutes of the meeting; or (iv) the Member delivers written notice of dissent or abstention to the presiding officer of the meeting before its adjournment or to the Commission immediately after adjournment of the meeting. The right of dissent or abstention is not available to a Member who votes in favor of the action.

Section 7. Proxies. Except as otherwise provided by the Act or these Bylaws, voting by proxy is prohibited.

Section 8. Informal Action by Members. Action required or permitted by the Act to be taken at a Commission meeting may be taken without a meeting if the action is taken by all Members. The action must be evidenced by one or more written consents describing the action taken, signed by each Member, and included in the minutes filed with the corporate records reflecting the action taken. Action taken under this section is effective when the last Member signs the consent, unless the consent specifies a different effective date. A consent signed under this section has the effect of a meeting vote and may be described as such in any document.

Section 9. Standard of Care. A Member shall discharge his or her duties as a Member, including his or her duties as a member of a committee, in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner the Member reasonably believes to be in the best interests of the Commission. In discharging his or her duties, a Member is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by (i) one or more officers or employees of the Commission who the Member reasonably believes is reliable and competent in the matters presented, (ii) legal counsel, public accountants, or other persons as to matters the Member reasonably believes are within the person’s professional or expert competence, or (iii) a committee of the Commission of which the Member is not a member, as to matters within its jurisdiction, if the Member reasonably believes the committee merits confidence. A Member is not acting in good faith if the Member has knowledge concerning the matter in question that makes reliance otherwise permitted unwarranted. A Member is not liable to the Commission, a Member, or any other person for any action taken or note taken as a Member if the Member acted in compliance with this section.

Section 10. Public Notice. Notice of meetings shall be transmitted, as appropriate, and meetings of the Commission shall be conducted in accordance with the requirements of the South Carolina Freedom of Information Act.

Section 11. Parliamentary Procedure. Questions of parliamentary procedure shall be resolved in accordance with the then-current version of Robert’s Rules of Order.
ARTICLE V
OFFICERS OF THE COMMISSION

Section 1. Officers. The Commission shall at all times have a chairman, a vice-chairman, a secretary, and a treasurer elected from its appointed membership. The Commission may create such other offices as it deems necessary. Any two or more offices may be held by the same person, and an officer may act in more than one capacity where action of two or more officers is required. An employee of the Commission shall be ineligible to serve as an officer.

Section 2. Election. All officers shall be elected by a majority vote of the Commission at the annual meeting of the Commission.

Section 3. Vacancies. A vacancy in an office may be filled for the unexpired portion of the term by a person elected by the Members.

Section 4. Officers Pro Tem. If an officer, other than the Chairman, is absent, becomes incapacitated or is otherwise unable to perform the functions of the office, the Chairman may appoint an officer pro tem to serve until such time as the officer is able to resume his or her duties or until the officer resigns, is disqualified or is removed from office.

Section 5. Term. Unless otherwise provided by the Act or these Bylaws, an officer’s term shall begin on the date of election to the office and, subject to the officer’s earlier death or resignation, as a Member or as such officer, or removal, shall continue until the next annual meeting of the Commission or until his or her successor has been duly elected, qualifies, and assumes office, whichever is later. Any elected officer shall be eligible for re-election to succeed himself or herself.

Section 6. Standard of Care for Officers. An officer with discretionary authority shall discharge his duties under that authority in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner the officer reasonably believes to be in the best interests of the Commission. In discharging his or her duties, an officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by (i) one or more officers or employees of the Commission who the officer reasonably believes to be reliable and competent in the matters presented, or (ii) legal counsel, public accountants, or other persons as to matters the officer reasonably believes are within the person’s professional or expert competence. An officer is not acting in good faith if the officer has knowledge concerning the matter in question that makes reliance otherwise permitted by this section unwarranted. An officer is not liable to the Commission, a Member, or other person for any action taken or not taken as an officer if the officer acted in compliance with this section.

Section 7. Resignation and Removal of Officers.

(a) An officer may resign at any time by delivering notice to the Commission. A resignation is effective when the notice is effective unless the notice specifies a future effective date. If a resignation is made effective at a future date and the Commission accepts the future
effective date, the Commission may fill the pending vacancy before the effective date if the Commission provides that the successor does not take office until the effective date.

(b) The Commission may remove an officer from that position at any time with or without cause by a majority vote.

Section 8. Chairman. The Chairman shall preside at all meetings of the Commission and of the Executive Committee and shall be the spokesman for the Commission. He or she shall also serve as Chairman of the Executive Committee. He or she shall appoint ad hoc committees as deemed appropriate; serve ex-officio, with vote, to all committees; execute in the name of the Commission and deliver on behalf of the Commission all authorized documents necessary or desirable to be executed and delivered by the Commission; and perform such other duties as may, from time to time, be prescribed by the Commission, the Act, and these Bylaws. The Chairman shall serve a term of two (2) years or until his or her successor is elected.

Section 9. Vice-Chairman. The Commission shall, at the same time and in the same manner as the Chairman was elected, elect a Vice-Chairman to serve for one (1) year. The Vice Chairman shall preside at meetings of the Commission and the Executive Committee in the absence of the Chairman. He or she shall serve as a member of the Executive Committee of the Commission and, in the absence, incapacity, or other inability to perform of the Chairman, shall discharge the duties of the Chairman.

Section 10. Secretary. The Commission shall, at the same time and in the same manner as the Chairman and Vice Chairman were elected, elect a Secretary to serve for one (1) year. The Secretary shall act as custodian of all records and reports of the Commission and shall be responsible for the keeping and reporting of adequate records of all transactions and of the minutes of all meetings of the Commission. The Secretary shall perform all such other duties as are incident to the office and shall be responsible for (i) issuing notices of all Commission meetings; (ii) receiving and attending to all correspondence of the Commission; (iii) maintaining custody at the corporate office of all documents belonging to the Commission; and (iv) performing such other duties as usually pertain to this office. The Secretary shall serve as a member of the Executive Committee.

Section 11. Treasurer. The Commission shall, at the same time and in the same manner as the Chairman and Vice Chairman were elected, elect a Treasurer to serve for one (1) year. The Treasurer shall ensure that adequate financial records are maintained; that financial data is prepared and presented periodically to the Commission; that an adequate budget process is established; that acceptable external and internal controls are at work to protect the assets of the System; that proper investment policies are established; and, that all Federal, State and local fiscal requirements are met. The Treasurer shall assist in the preparation of the annual budget of the Commission. The Treasurer shall serve as a member of the Executive Committee. The Treasurer shall also be a member of the Finance/Budge and Audit Committee and may be, but is not required to be, chairman of that Committee.

Section 12. Chairman-Elect.
(a) Not less than three (3) months prior to the end of the Chairman's term, the Commission shall elect a Chairman-Elect who shall succeed the Chairman at the end of the Chairman's term or at such sooner time if the then Chairman shall resign or cease to serve. To be eligible for election to the position of Chairman-Elect, a candidate must have at least one year remaining of his or her term as a Member of the Commission. The Vice-Chairman shall be eligible for election as the Chairman-Elect.

(b) The Chairman shall familiarize the Chairman-Elect with duties of the Office of Chairman, shall brief the Chairman-Elect on all material issues facing the Commission, and shall introduce the Chairman-Elect to the day-to-day performance of the Chairman's duties. The Chairman-Elect shall have no rights to bind the Commission or to do anything not available to other Members except to be familiarized, briefed, and introduced as described in this Section.

(c) If the Chairmanship becomes vacant because the term of the Chairman as a Member has expired and the Chairman is not reappointed as a Member, the Commission may elect a new Chairman to fill the unexpired term. In such case, the Vice-Chairman shall serve as acting Chairman until a new Chairman is elected by the Commission.

ARTICLE VI

The Standing Committees shall consist of the Executive Committee, the Finance/Budget and Audit Committee, the Nominating/Legislative Committee, the Contractual Agreements/Institutional Support Committee, the Development Centers Support Committee, and any further Standing Committees which may be established by the vote of the greater of a majority of all the Members in office when the action is taken or the number of Members required by these Bylaws to take action. ARTICLE IX
INDEMNIFICATION

Section 1. Authority to Indemnify.

(a) To the extent permitted by the Act, the Commission may indemnify an individual made a party to a proceeding because the individual is or was a Member against liability incurred in the proceeding if the individual (i) conducted himself or herself in good faith; (ii) reasonably believed, in the case of conduct in his or her official capacity with the Commission, that his or her conduct was in its best interests, and in all other cases, that his or her conduct was at least not opposed to its best interests; or (iii) in the case of a criminal proceeding, has no reasonable cause to believe his or her conduct was unlawful.

(b) The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the Member did not meet the standard of conduct described in this section.

(c) The Commission may not indemnify a Member under this section (i) in connection with a proceeding by or in the right of the Commission in which the Member was adjudged liable to the Commission; or (ii) in connection with any other proceeding charging improper personal benefit to the Member, whether or not involving action in his official capacity, in which the Member was adjudged liable on the basis that personal benefit was improperly received by the Member. No Member may be indemnified upon violation of the Commission's policy or the provisions of these Bylaws regarding conflicts of interest.

(d) Indemnification permitted under this Article in connection with a proceeding by or in the right of the Commission may include reasonable expenses incurred or paid in connection with the proceeding.

If a Member is wholly successful, on the merits or otherwise, in the defense of a proceeding to which the Member was a party because he is or was a Member of the Commission, the Commission shall indemnify such Member against reasonable expenses actually incurred by the Member in connection with the proceeding.

Section 3. Indemnification of Officers, Employees, and Agents. Officers, employees, ex officio members, members of advisory committees, and agents, as well as heirs and personal representatives of such persons, shall be indemnified to the same extent as Members are under this Article and to the extent permitted by the Act.

ARTICLE X
CONFLICTS OF INTEREST
Section 1. Conflicts of Interest. A conflict of interest transaction is a transaction with the Commission in which a Member has a direct or indirect interest. A conflict of interest is not voidable or the basis for imposing liability on the Member if the transaction was fair to the Commission at the time it was entered into or is authorized, approved, or ratified by the vote of the Commission or a relevant Committee of the Commission if the material facts of the transaction and the Member’s interest are disclosed or known to the Commission or Committee of the Commission, and the Members approving the transaction in good faith reasonably believe that the transaction is fair to the Commission.

Section 2. Indirect Interest. For purposes of this Article, a Member has an indirect interest in a transaction if another entity in which the Member has a material interest or in which the Member is a general partner is a party to the transaction, or another entity of which the Member is a director, manager, officer, or trustee is a party to the transaction.

Section 3. Approval by Majority. For purposes of this Article, a conflict of interest transaction is authorized, approved, or ratified if it receives the affirmative vote of a majority of the Members or of the Committee who have no direct or indirect interest in the transaction, but a transaction may not be authorized, approved, or ratified under this section by a single Member. If a majority of the Members who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this section. The presence of, or a vote cast by, a Member with a direct or indirect interest in the transaction does not affect the validity of any action taken under this section if the transaction is otherwise as provided in this section.

Section 4. Commission Requirements. The Commission may impose additional requirements on conflict of interest transactions.

Section 5. Disclosure. The Member having an interest in a transaction approved pursuant to this Article shall have the burden of assuring that all relevant facts are fully and adequately disclosed to the Commission.

ARTICLE XI

Notice may be communicated in person; by telephone, telegraph, Teletype, facsimile transmission (FAX), or other form of wire or wireless communication; or by mail or private carrier.
