COASTAL CAN-STRUCT
Wednesday, October 31 starting at 4 p.m. See below for exact timeline of the event.

We are returning to our roots! Can-Struct will feature groups being able to build their own structures this year!

Make sure you start collecting your items now! Each group will need to build a structure that revolved around the overall Homecoming theme, “Haunted Homecoming”

As we have in the past few years, along with cans, we will be collecting items that are more shelf stable dry items, toiletries, and baby care items. These items will be donated to local community groups that will benefit families in the Grand Strand.

Faculty and staff will have a food/item drive prior to the event. These items will be distributed for use in your structure, however you are responsible for supplying supplemental items to be donated.

Rules:
1. Only items on the below list will be counted toward a group’s overall count. Other items are welcome, but will not be included within a group’s total.
   
   • Canned Meats (ex. Tuna, Chicken, Turkey, etc.)
   • Rice
   • Cereal (hot or cold – please avoid sugary cereal)
   • Boxed or individual pastas
   • Instant Grits
   • Instant Oatmeal
   • Canned Soups or Stew
   • Peanut Butter
   • Individual servings of fruit or vegetables (not canned)
   • Shelf Stable Milk (does not need to be refrigerated)
   • Toiletry items (Deodorant, Toothpaste/Toothbrush, Shampoos, Conditioners, Body Wash, Lotion, Feminine Hygiene Items etc.)
   • Baby Care Items (Diapers, Wipes, Formula)
2. All teams must bring their items in **ONLY** plastic or wicker laundry basket. Examples of these baskets are shown below: **These baskets will be left with the items – your group will not be getting them back.** Please do not bring personal baskets

![Plastic Laundry Basket](image1.png)
![Wicker Laundry Basket](image2.png)

3. Teams are **NOT** allowed to bring their items in mesh laundry bags, plastic or reusable grocery bags, or boxing material. **Teams that bring their donations in anything but a plastic or wicker laundry basket will not receive points for those items.**

4. Due to spacing issues, we only ask that the members participating in the canstruction are at the event. If the area gets too congested, members not actively involved with the building will be asked to leave.

5. After the cans have been counted, the canstructers may enter in the Canstruction Zone. Each group will have a designated construction area. If the structure or group individuals go outside of that space, the group will be disqualified.

6. No horseplay in the Canstruction zone will be tolerated. Anyone causing an unsafe environment in the Canstruction zone will be asked to leave.

**Permitted Food Products:**
- No glass containers, alcoholic beverages, or pet food.
- Soda and junk food strongly discouraged.
- Items must be full, unused, and unopened. No items may have any damage to their containers. All damaged and expired items will be thrown out prior to Canstruction and not counted toward the team’s overall donation.
- Labels must be intact and legible. Food must not be past the expiration date.
• Items that come in a multi pack will be counted for the number of individual items within the packaging. Items that have several items within their packaging will count for one item. Items must retain some original packaging when broken apart to be counted as more than 1 item. *The Can-Struct staff reserves the right to make this determination on the number of items within a box.*

  • *Ex. The below tuna cans would equal 4 items, where the Easy Mac would be 1 Item (does not retain packaging)*

Events for Attendance Points

Attendance at the following events means points for your team. At least 25% of your team must be in attendance and check in at the Office of Student Life table in order to receive your points. It will be one flat number of points, so it does not matter if your team has more than 25% in attendance, unless the overall competition ends in a tie. However, we do encourage your whole team to attend.
