

Coastal “Toys For Tots” Drive

COASTAL “TOYS FOR TOTS” DRIVE

Wednesday, November 4 from 3-5:30 p.m. in Spadoni Park

As a result of the pandemic, it is projected that the amount of demand for “Toys for Tots” services will double in the Horry County area. Due to this, this year during homecoming we are asking teams to donate toys that will go directly to local children.

Due to the varying price of toys, groups that participate in this community service event will receive participation points. The toys that are donated will be distributed to Horry County families for children to receive during the holiday season. Although this is not a competition, we encourage groups to take this project seriously and participate to whatever level is possible for your organization

Donation Guidelines

- All donated toys must be new and unwrapped.
- Stuffed animals, toys that look like realistic weapons, candy or food, homemade toys, and toys with chemicals are not accepted.
- Donations are given to children from 0-12 years old, so please think of age-appropriate toys for that range.
- Appropriate donations can include, but are not limited to: books, baby toys, sporting equipment, diapers, bedding, interactive toys, batteries, backpacks, board games, radio control cars/trucks, handheld electronics, skateboards, dolls, action figures, arts and crafts, school supplies, Lego sets, educational toys, musical toys, dress-up clothes, play makeup, etc.

Timeline for the Day of the Event.

- An email will be sent a few days before the event to all of the team captains asking them to sign up for a donation time. Please limit the number of individuals delivering the donations to 3 at one time.

- When collecting the donations from your group, please remember that we are in Phase 1 of the Coastal Comeback Plan. During this time, groups cannot meet or gather physically.

The Homecoming staff reserves the right to determine if an item can be donated to the Toys for Tots Drive.
