Directions to Anne Tilghman Boyce Coastal Reserve from CCU beginning at Hwy. 501

Two options, both are about the same distance and take ~40 minutes. Option 1 is mainly back roads, option 2 is predominately main highways.

Option 1)
1. From Hwy. 501, go towards Conway, veer to right onto 501 Business - North.
2. Continue straight after 1st stoplight. A little further on you will pass a Hess station (on your left). At the next stoplight that you come to (Blanton’s Auto Sales on right) turn right onto State Road 90. Follow Hwy. 90 for about 30 miles.
3. You will pass through a stoplight just past the Hwy. 22 overpass. Continue on Hwy. 90 and then turn left at the next (second) stoplight (straight will take you into NMB). Continue on Hwy. 90 until you get to the stoplight at Nixon’s Crossroads (intersection of Hwy. 90 and Hwy. 9). Turn right onto Hwy. 9 (Sea Mountain Highway) and go over the swing bridge.
4. At the stoplight on the east side of the swing bridge, turn left between the Hampton Inn and Harbourgate Marina. This is Little River Neck Road.
5. Stay on Little River Neck Road. You will pass Tidewater Plantation and the Fire Station (on your left). When the paved road ends you are at CCU’s Anne Tilghman Boyce Coastal Reserve.
6. Enter the property via the dirt road on your left. (No Trespassing, Permission Required)

Option 2)
1. Take 501 South towards Myrtle Beach.
2. Exit Right onto Highway 31 North. Stay on 31 North for about 30 Miles.
3. Exit Right onto Highway 9 East.
4. Merge onto Highway 17 South, and go over the Intracoastal Waterway Bridge.
5. Exit Right at the Cherry Grove Beach Exit. After exiting veer to the left until you reach a stop sign.
6. At the stop sign turn left onto Sea Mountain Highway.
7. Stay on Sea Mountain Highway until you reach a stop light.
8. Turn right at the light between the Hampton Inn and Harbourgate Marina, onto Little River Neck Road.
9. Stay on Little River Neck Road, go past Tidewater Plantation and the Fire station (on your left). When the paved road ends you are at CCU’s Anne Tilghman Boyce Coastal Reserve.
10. Enter the property via the dirt road on your left. (No Trespassing, Permission Required)
