THE COASTAL CAROLINA UNIVERSITY MUSIC ACADEMY IS MORE THAN JUST A CAMP – IT IS A COMPREHENSIVE MUSIC EXPERIENCE.

A camper’s musical day begins at 8 a.m. and ends at 5 p.m. Each day is divided into six class periods. Students will receive instruction from renowned Coastal Carolina University Department of Music faculty members and other regionally recognized teachers and conductors. Our music academy is designed for students of all ability levels and focuses on performance instruction, comprehensive musicianship, playing techniques, music appreciation and repertoire development. Students will rehearse and perform in sectionals, small ensembles and large ensembles, as well as take part in daily master classes, elective classes, music theory and much more.

Elective classes enable students to explore music beyond their primary instrument. Class choices include world music, electronic music, beginning guitar, beginning piano, conducting, jazz improvisation, percussion ensembles, composition and many other options/classes.

On the first day of camp, each student will be required to complete a brief placement audition to determine his/her large ensemble assignment. Large ensembles will perform in a public performance on the last day of the camp. This performance is open to family and friends.

Each evening, students will participate in recreational activities and attend a variety of musical performances from professional choirs, jazz quartets, string ensembles and community bands.
