ALL ABOUT OLLI

The Bernard Osher Foundation, a San Francisco-based philanthropic organization dedicated to supporting higher education and the arts, has provided funding to institutions of higher education to develop and grow noncredit, intellectually stimulating programs for older adults since the fall of 2002. Through its Osher Lifelong Learning Institute grant program, the Osher Foundation awards annual grants of \$100,000 to university and college campuses with the understanding that, once a lifelong learning institute is established with annual support and demonstrates potential for long-term success, the foundation considers an endowment gift of no less than \$1 million. At present, the Osher Foundation supports 119 OLLIs on university and college campuses in all 50 states (plus the District of Columbia), as well as a National Resource Center for the institutes at the Northwestern University in Chicago (<http://www.osher.net>).

In the Fall of 2007, Coastal Carolina University's Division of Academic Outreach was awarded its first \$100,000 grant from the Bernard Osher Foundation. Upon receipt of the grant, our 20-year-old adult education program was renamed the **Osher Lifelong Learning Institute at Coastal Carolina University**, nicknamed "OLLI@CCU," and rededicated to providing quality learning and networking opportunities to the large and growing older adult population along the Grand Strand. The structure and management of Coastal Carolina University's Lifelong Learning program has evolved over the years under various leadership forms but always with the strong and indispensable support from the University, which has provided staff, facilities and the technical resources needed to serve nearly 3,000 adults a year. With the rapid growth of the University's undergraduate and graduate programs, the increase of the retiring (and Southern migrating) baby boomers and tight budgets, the Osher Foundation's support has been key to fulfilling the goal of our strategic plan – to secure the financial underpinnings of the Osher Lifelong Learning Institute at Coastal Carolina University.

In June 2009, OLLI@CCU received a second grant, and in June 2011, the third and final annual support grant was awarded. These grants were devoted to marketing and publicizing the OLLI program with the intended results of increasing enrollment and membership. In 2013, the Osher Foundation's \$1 million endowment to Coastal Carolina University plus a \$50,000 "bridge" grant made it possible to transition the program to utilize the interest-only revenue for operational purposes.

With the University's commitment to provide space and auxiliary support and the initiation of a fundraising strategy to ensure the future sustainability of our OLLI@CCU, we received a \$50,000 operating grant in June 2014 to aid in fundraising efforts aimed at securing a second million-dollar endowment. Thanks to our exemplary members, dedicated staff and the robust support from the Office of Philanthropy, we are working diligently to do our part in fulfilling the requirements set forth by the Osher Foundation, to continue the success and future of our OLLI program.

OLLI at CCU Board of Volunteer Leaders

The **Board of Volunteer Leaders (BOVL)** for the Osher Lifelong Learning Institute at Coastal Carolina University was organized in the spring of 2012. The group contributes to OLLI's mission "to provide opportunities for older adult, noncredit students to achieve intellectual stimulation, as well as cultural and social growth, while fostering a close, lasting and mutually beneficial relationship between the students and the University." The success of this program is dependent upon the active support and participation of the OLLI Board of Volunteer Leaders, who have a significant role in assisting the Lifelong Learning student body in achieving their objectives.

The initial board membership was filled by invitation and voluntary participation. One- to three-year terms for future rotation and continuity are held by: Ellen Elliott, Doris Gleason, Sally Z. Hare, John Kenny and Mike Kohler. Two ex-officio members from the University include the provost (or his designee) and the OLLI director. BOVL officers include Chair John Kenny, Vice Chair Ellen Elliott and Secretary (to be announced), elected for the term February 2015-January 2016. In addition, four standing committees include:

Membership/Program Committee – Chair Sally Z. Hare, responsible for outreach for new members, membership fee review, speakers bureau to promote OLLI and for identifying and presenting free-with-membership programs for inclusion in the semester offerings;

Nominating Committee – Chair (to be announced), responsible for providing a slate of additional members with skills and diversity from the geographic area served;

Communications Committee – Chair John Kenny, responsible for assessing and proposing methods for communicating with the membership;

Fundraising Committee – responsible for researching and proposing the strategy approved by the board.

Investing in Your Future with OLLI

2015-16 Annual Giving Campaign

The Board of Volunteer Leaders of the Osher Lifelong Learning Institute (OLLI) at Coastal Carolina University (CCU) is asking for your help in providing top quality programs for your educational, cultural and social enjoyment. We hear stories every day of how much the OLLI program means to you, how it has enriched your lives, that it is a large part of your decision to move here or spend your winters on the Grand Strand. Now is the time to show your appreciation in support of the lifelong learning program.

OLLI is fortunate to have received an earlier endowment from the Bernard Osher Foundation. In bestowing this support, the foundation expects the quality and scope of the programs offered to be maintained. To ensure the long-term fiscal health and sustainability of the OLLI program we all value, contributed revenue must be generated through program growth, other grants, voluntary donations of gifts, planned giving as part of an overall estate or financial plan, and through this annual giving campaign, as is stressed by the foundation. The board respectfully asks you to make a donation to OLLI@CCU to support these areas of financial need:

- **Support for Technology:** Donations in this area will enable OLLI to provide education programs at each location to be current with the changing technological environment utilizing laptops, smart phones and tablets.
- **Program Enhancements:** Additional needs vary according to the course offerings at each location and may, on occasion, require replacing or updating equipment such as musical instruments for students' use, lapel microphones and external speakers, and classroom aids for the hearing impaired.
- **Small Class Funding:** On occasion, courses with one or two students shy of the minimum must be canceled, disappointing those who are registered. Small Class Funding will provide monies to cover the balance of costs for classes close to the minimum enrollment.
- **General Support:** Not only will your generous gift allow OLLI to direct resources where they are most needed, your donation will help keep membership and course fees low, allowing more people to attend OLLI courses and events, as well as help attract the highly qualified instructors who form the educational foundation of the program.

The number of locations has increased to five and has been in operation since the Fall of 2015. As a board, we believe OLLI will continue to provide you with the educational, cultural and social benefits you expect and enjoy. Many of you have gratefully expressed the personal enrichment you've received from the Osher program at CCU. Please join us in ensuring the OLLI program will be available for you and all those who follow. Donations will be exclusively for OLLI use and are tax-deductible to the extent provided by law.

The board of volunteer leaders sincerely hopes you will help reach our goal so that we will be able to continue the OLLI program for years to come. **Any amount, large or small, is welcome, since both the dollars raised and the numbers of individuals participating are important evidence of member support for OLLI.**

Sincerely,
John Kenny, Chair
Board of Volunteer Leaders
