Agenda and Planning Guide

Welcome to Coastal Carolina University!

Congratulations on your acceptance to Coastal Carolina University! On the following pages, you will find a schedule of activities offered during CCU Soon.

CCU Soon is designed to be flexible to meet your needs; therefore, students and families are encouraged to attend separate sessions. Carefully review the program and take advantage of all the opportunities available throughout the day. Please note that some sessions are repeated during the day. We have included a “Build Your Schedule” feature inside this agenda. Use it to plan what activities you’ll attend, and refer to it throughout the day.

Take every chance to meet people, ask a lot of questions, and imagine yourself in this community. If you have any questions, please ask any of the CCU staff you meet today.

We hope to see you back on campus this summer as a new Chanticleer.
