University Housing
Ingle Hall 129 / 843-349-6400 / coastal.edu/housing
More than 3,600 students call Coastal Carolina University “home.” University Housing student and professional staff create communities focused on resident safety and success. Each staff member is expected to serve as a resource, role model and community builder. Our positive and vibrant living and learning environments are built on mutual care, respect and civility.
Off Campus Student Services  
Student Center 215 / 843-349-2301 / coastal.edu/ocss  
Off Campus Student Services provide services for students who reside off campus. The office maintains a database of rental listings in the area and collaborates with other University departments to create opportunities for off-campus students to engage in University life and learning. This office also serves as a conduit between off-campus students and the local community.

Counseling Services  
204 University Blvd. / 843-349-2305 / coastal.edu/counseling  
Counseling Services are offered to assist students in defining and accomplishing their personal goals. Priorities of this department include: treatment of mental health concerns, prevention of psychological difficulties, educating students to live emotionally and behaviorally healthy lives, and contributing to a healthy campus environment. The COAST, located in Wall 313, provides specialized outreach programming related to student wellness, equality and women’s issues. Students have an opportunity to work at The COAST as peer educators to help their fellow students live healthy and productive lives.

Student Health Services  
204 University Blvd. / 843-349-6543 / coastal.edu/health  
Student Health Services offer quality primary medical care and health education services, with an emphasis on wellness and healthy lifestyles. A dedicated team of medical professionals is available to assess health care needs. Students are encouraged to make an appointment for non-emergencies, visit to pick up health and wellness resources, or access the website for many other resources.

Office of Accessibility and Disability Services  
Indigo House 113 / 843-349-2341 / coastal.edu/disabilityservices  
The Office of Accessibility and Disability Services offers accommodations and assistance to students with physical, psychological or learning disabilities. With appropriate documentation, accessibility coordinators determine accommodations needed to assist students in taking full advantage of their educational opportunities. Ongoing academic coaching is offered to assist students with disabilities to help ensure success at Coastal Carolina University.
OUR MISSION:
The Division of Student Affairs seeks to create a safe and caring environment for students in order to foster student success, civility, responsibility and healthy behaviors by challenging students and providing them with a variety of experiences so they can be empowered to reach their goals.
