All Coastal Carolina University students are eligible for *unlimited* office visits. There is a nominal fee for some laboratory testing, medications and office procedures. Payment is preferred at the time of service by CINO Card, cash, check or charge card. Your student account can also be billed for your convenience.

Also, you are eligible for our **Emergency Care Plan** through **Pearce & Pearce Insurance**. This is an emergency accident and sickness insurance policy with a **\$500** maximum benefit payable under the following circumstances:

- You are evaluated or treated by Student Health Services and referred by our medical providers to a hospital emergency room.
- Student Health Services is closed when you suffer an emergency injury or illness.
- An injury or acute illness occurs on or off campus when Student Health Services is open, but the record of treatment indicates that your condition required treatment that could not have been clinically managed at Student Health Services.
- You are injured or sick and initially evaluated by Emergency Medical Services (EMS) and transported by emergency ambulance to a hospital emergency room where emergency treatment is provided.
- For more information about reimbursement for qualifying medical emergencies, please contact Pearce & Pearce Insurance at 1-888-622-6001 or Student Health Services.

Welcome

Welcome to Coastal Carolina University and Student Health Services. You are invited to seek health and wellness services from our dedicated team of professionals who are available to assess your health care needs. We offer all Coastal Carolina University students quality primary medical care and health education services, with an emphasis on wellness and healthy lifestyles.

We encourage you to make an appointment for non-emergencies, visit us to pick-up health and wellness resources or access our Web site for many other resources at: www.coastal.edu/health

Welcome to our health and wellness community!
