Campus Networking Session Descriptions

Academic Success Factor
Now that you are officially starting at Coastal, your full-time job is to succeed in class! Join the Learning Assistance Center to learn about the programs and services that are offered to help students succeed academically in the classroom through tutoring and other academic support services.

Career Services Center
Start now defining your career path, develop internship/job search skills, and prepare your career tools. Learn about opportunities for internships, jobs and career fairs.

Chanticleer Store
The Bookstore will share how to start the fall semester on the right foot through their various services including textbook purchases, e-books, and everything else your student will need to be successful inside and outside the classroom.

Campus Safety
During this session you will hear from Public Safety regarding all the resources they provide to the Coastal community to ensure safety, as well as tips for you to follow.

Dining Services
Starbucks, Einstein’s, Chick-Fil-A, the list goes on and on. Dining Services will provide you with the information you want to know about all the dining and meal options on Coastal’s campus.

Information Technology Services
Hear from ITS about the wide variety of technology options that Coastal offers to students. Computer requirements and internet will also be discussed during this session.

Making Coastal Connections
Get Involved. Get Connected. Be Successful. There is a strong link between a student’s involvement outside the classroom and being successful. This session will give you the tools you need to get the most from your college experience and make Coastal Connections that will count!

Meet the Greek
Coastal Carolina University Fraternity and Sorority Life is home to approximately 15 percent of the campus body. One of our goals as a Fraternity & Sorority community is to create a “home away from home” for each student through scholarship, service, leadership, and brotherhood & sisterhood. Come find out how you can be part of this growing community!

Money 101
When will I receive my scholarship money? Have I completed everything for a student loan? How much do I owe, and when are my payments due? How do I buy books? All of this and more will be revealed in a session where students get the 411 on their Money 101.

Non-Traditional Student Meet-Up
Use this time to meet and greet with other non-traditional students like yourself who are beginning their academic journey at Coastal Carolina University.

Student Health Services
Representatives from our Student Health Services will discuss the array of medical services that are offered on campus, remind you of the University’s immunization requirements, and much more! During this session you may also drop off the required immunizations/TB pre-screening forms that are required to begin the fall semester.
Registrar
This session introduces the services offered by the Office of the Registrar. Topics will include an overview of the registrar-related online services provided to students in WebAdvisor, how students track their degree progress towards graduation, how to obtain enrollment verifications, and privacy. Those items and more will be presented by the University Registrar.

Study Abroad
The Office of International Programs and Services (OIPS) encourages CCU students to choose from a wide variety of study abroad options ranging from two weeks to two semesters! Come learn about where you can go and how the OIPS can help you get there!

Transportation Services
Where do I park? How do I get around campus? These questions and many more will be answered regarding the variety of services that the University offers to help transport students on campus and around the local community.

University Housing
Living in the residence halls is one of the most significant experiences students will have at Coastal Carolina University. Learn how the on-campus community expands students’ learning experience beyond the classroom. University Housing creates a foundation of care for resident safety and success.

Veteran’s Benefits
The Office of Veterans Services and the Coastal Carolina Chapter of the Student Veterans of America assists students with a myriad of issues, including qualifying for veterans tuition benefits and making the transition to college and to the workforce after college.
