**Location:**
1320-G Highway 501 Business
Conway, SC 29526

**Volunteers Needed:**
Flexible based on schedule- Days, Evenings, and/or Weekends.

**Agency Description:**
Our Mission is to be the leader of end of life care services and a superior resource and advocate for all of our patients, families, caregivers and the communities we serve. We are committed to attracting, developing, and retaining a diverse workforce that reflects the highest ethical and professional standards of behavior. Our vision is to establish a local community hospice in all 46 counties in South Carolina. We believe that no one should walk the journey alone. It is our vision to provide outreach and education to the communities we serve so that all residents of South Carolina will understand the services available to them as they reach end of life.

One Paragraph description of what is expected of volunteers-

**Volunteer's Duties:**
Hospice Care of South Carolina volunteers serve in a variety of capacities. Some work directly with patients and families while others prefer assisting with administration duties or projects. Groups of all ages can assist with special projects throughout the year. Volunteers are needed in many areas, such as: Patient and Family Support Volunteers, Administrative Support Volunteers, Group Projects (Card Projects, Petals for Patients, Birthday/Anniversary Cake, Scrapbooking, Meal preparation) and Bake and Take Volunteers

**Necessary Training:**
All Hospice Care of South Carolina Volunteers must pass a SLED background check, a reference check, a drug screen and 2 part PPD skin test prior to any training or assignments. For additional information or to become a volunteer please contact Whitney Rogers, Regional Volunteer Coordinator, at 843-409-7991
